Overview

• There were several different programs the Day Report Center took on in 2018/2019. These programs include the First Offender Program, the Twin County Recovery Court, and Circuit Court Community Service. First Offenders are normally supervised by New River Community Corrections and pretrial services. In addition to this supervision, the first six months is also supervised by the Day Report Center. During this time each client must attend weekly counseling sessions, submit to random drug screens, and pay a participation fee of \$10.00 per week. The Twin County Recovery Court is another program in which Day Report also supervises participants. The Recovery Court is also an alternative sentencing program in which the primary focus is supervision and rehabilitation of drug offenders. When an individual is sentenced to Recovery Court they are also sentenced to the Day Report Program. These clients also are assigned community service within Grayson County. The Day Report Center has also started supervision and placement of community service for the Circuit Court. Offenders now have the option of paying off their court fines by completing community service within the County. The Day Report case manager receives the referrals from the Circuit Court Clerk, places the individual at a community service site and monitors progress. Assigned hours are determined by the total fees/fines owed by the offender. Each hour worked is equal to the current minimum wage hourly pay of \$7.25. With all of the changes in 2018/2019, this has brought on a significant increase in caseload and workload. Day Report receives assistance from District Three with a part time employee. This employee works approximately 12 hours per week with no cost to the County. The employee is paid through District Three and in turn is gaining job skills and workplace experience.

Success Stories of Day Report Clients

• An offender was sentenced to one year in Day Report for Drug charges. When this client entered the program, they stated that they wanted to change her life. That they had grown tired of drugs messing their life up. While in the program, this client excelled in all areas. She found her community service site at the soup kitchen in Galax. While at the soup kitchen, she befriended several people who wanted nothing more than to see her succeed. The client began going to church, working at a local fast food establishment, and was dedicated to their community service each week. They soon became a role model to other clients in the Day Report Program. They completed the program in very high standing and is proud of their continued sobriety. This client still volunteers their time at the Soup Kitchen.

• Another client was also sentenced to Day Report for one year on a drug offense. This client had previously had an addiction to opiates in which they also distributed within the County. The client turned their life completely around while in Day Report. Client remained drug free throughout the program. Due to a disability this client participated in several hours of community service per week at their community service site. This clients' community service site was so impressed with them that after completion of the program they were offered a full-time position. This client is also very active in their current church and is continuing a life of sobriety.

- Community music jam and "pot-luck" are new events each time attendance is growing – bluegrass and old-time music (will look into getting it tied to the Crooked Road)
- Oxen workshop and dinner with 20 folks attending at \$40/each
- ➤ More outreach in the community have more of a presence at the different farmers markets, etc.
- Introducing more animals (Tunis sheep and ducks) along with a miniature jersey cow named "Ms. Daisy"
- Invite local artists to the farm; artists give a stipend from what they make to the farm made \$80 from a wood working class given at the farm

- Signage may need to be updated since the current signs are rather small

Mrs. Kristen Shumate, Director Grayson County Social Services addressed the Board regarding childcare in Grayson County.

➤ Grayson County Social Services offers voucher for childcare and DSS also has funding available for childcare.

- Currently Grayson County has 596 children under the age of 6 that would qualify for childcare
- There is no licensed childcare facility in Grayson County
- Working on bringing a childcare center to Grayson County
- ➤ Different businesses have lost employees due to lack of childcare
- An initiative has been started and the meetings are being held twice a month in Social Services; asked the Board if any of their constituents would be willing to help with this initiative to help bring a quality childcare center to Grayson County
- Letters are being sent to the businesses in the area to get a better feel for how their employees handle childcare
- Before and after school daycare
- First meeting will be the first week of August; if any constituents are interested in attending, please have them contact Social Services
- ➤ We currently 27 active view-cases which means DSS is helping them find work; out of those 27, 22 children in those families; out of those 22, only 6 are in a daycare and it's outside our community

Ms. Larissa Venzie, President of Friends of the Library, presented the following regarding the library beautification project:

- Sustainable garden volunteers will take care of it
- Improve signage which would cost approximately \$4500 to \$5000 for a metal sign and would look to the County for help with that; Supervisor Fant suggested getting a quote to County Administration
- ➤ Remove shutters and the vinyl surround on the front door would help modernize the building and also change the trim color
- Repair water spigot outside on the front of the building maintenance is aware and currently working with them
- Fundraising ideas are in the works to help with these improvements
- ➤ Noted concerns with the retaining wall it is cracking and has been pushed out by the ground would be wonderful to have it rebuilt
- ➤ Noted issues with their parking lot too small and hard to navigate would be nice to have a little larger parking lot and easier to navigate. Suggestion was made to speak with the Town of Independence since they are looking at reworking the parking lot

IN RE: REGISTERED SPEAKERS AND PUBLIC COMMENT

Mr. Fred Weather, Independence, Va., spoke concerning the recreation baseball/softball programs — approximately 4 years ago the Dixie Program was changed and went with the Southwest Virginia Baseball Program — made up of City of Galax, Fries Recreation, Floyd Co., Town of Wytheville, Grayson County, Wythe County and Carroll County. Mr. Weatherman noted that his grandson played in this program this year and is a complete

mess. Grayson County had the Dixie Program for 30 years and suggested to Mr. Watson, Rec Director, to go back to the Dixie Program. Mr. Weatherman noted that Dixie does require you to have insurance whereas Southwest Virginia doesn't. Mr. Weatherman encourages the Supervisors to put the Dixie Program back in Grayson County – this is a program that would help out county.

Ms. Jessica Anders, Independence, Va., spoke in favor of the Dixie Program and spoke regarding the umpire training and the Rec Director, Kevin Watson. A lot of the parents are taking their children out of Grayson to other counties.

Mr. Jeff Miller, Independence, Va., addressed the Board and suggested for the Town of Independence and the County to get together every 3 months. Mr. Miller also gave an update on Making Grayson Glow: 21 yardsale will be on the 1908 Courthouse property; Sept. 14 will be the next fundraiser, Making Grayson Glow Gala – a set down dinner with a silent auction, at Matthews Farm; then on October 12, 2019 a Bing Glow fundraiser will be held at the Independence VFW Building.

Mrs. Michelle Pridgen addressed the board with an update on the County Fair and handed out fliers. The Grayson County Fair will be held on Saturday, August 10, 2019 from 9am-3pm (beef/sheep) and the Youth Livestock Show (dairy/goat/chickens/small animals) will be held on Friday, August 9, 2019 from 5am-8pm at Bottomley's Evergreens & Farm, 10278 Elk Creek Pkwy, Elk Creek, VA. Mrs. Pridgen also spoke about the town park in Independence — a grant has been submitted and the preliminary plans are just that - preliminary (not set in stone). Public input is welcome. Also, VODT is working on the intersection at Rt. 21/58 intersection and will have the button to push before crossing which is much needed at this very busy intersection. Mrs. Pridgen also commented about the parade being great with awesome turnout.
