Grayson County Board of Supervisors Regular Meeting August 8, 2019

Members attending were: Brenda R. Sutherland, Kenneth R. Belton, Michael S. Hash and Thomas R. Revels. John S. Fant was unable to attend.

Staff present: Mitchell L. Smith, Linda C. Osborne, Carl Caudill II, Jada C. Black and William A. Crawford.

#### IN RE: OPENING BUSINESS

Supervisor Revels made the motion to approve the agenda/consent agenda; duly seconded by Supervisor Hash. Motion carried 4-0.

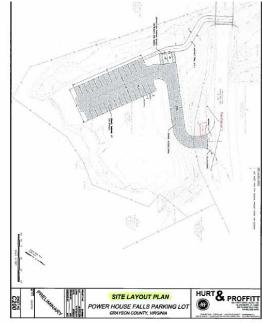

## IN RE: PRESENTATIONS OR REQUESTS

Mr. William A. Crawford, Tourism Director/Economic Development, gave the following update on the plans for development of the Lundy Property/Powerhouse Falls which is adjacent to the recreation park:

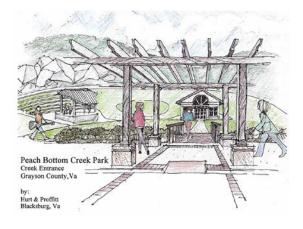

• Showed an overview of the area with connection to the Powerhouse falls property

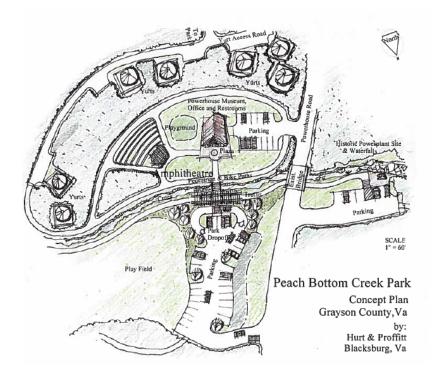

• Site layout plan for the Powerhouse Falls parking lot

• Peach Bottom Creek Park Entrance drawing & concept plan

- Working with Hurt & Proffitt to see this project come to fruition with this plan giving the community access to an Amphitheatre for local music & culture; Yurt camping for locals & visitors; enhanced parking for access to Powerhouse Falls with direct access to the Falls under the bridge; bathhouse which will include office space for a camp manager & picnic areas; in future would like to stock the stream that runs through the property with trout so fishing could be enjoyed by the campers.
- Other projects in the works are:
  - ✓ Whitetop Station to utilize it as a County Visitors Center
  - ✓ Community event Rocks on the River Fishing for ages 14/under with approximately 100 participants, due to the sponsorships the tourism department gathered, this event was free to the public & prizes were awarded great turnout for this first-time event
  - ✓ Grayson County Agri-cultural Fair will be held this weekend, August 9-10 at Bottomley Farms
  - ✓ Working on MLP \$10,000 grant for the county for a video which is projected to be completed by early September; once completed will be sent onto the Board of Supervisors
  - ✓ Third phase of the VDOT Transportation Trail is scheduled to start construction this fall which will connect the trail from Independence to the Rec Park

Mr. Jeff Miller, Chair, Making Grayson Glow, spoke regarding the letter that was sent to the Board (listed below) requesting that the Grayson County Board of Supervisors give a monthly stipend, along with a dollar-for-dollar match up to \$10,000.00, as the Town of Independence has pledged to do. Also noted that September 14 at Matthews Farm the Making Grayson Glow Gala will begin at 6pm – tickets are \$25 and October 12 Bingo at the VFW will be held with doors opening at 5:30pm and games beginning at 6pm

The Making Grayson Glow initiative came as a result of the Town of Independence's beautification committee, of which Jeff Miller is the Chairman. Upon taking this task, Jeff immediately started recruiting people to be on this committee that he believed would be a diversified group from the Town of Independence and Grayson County.

Upon deciding that this committee wanted a common goal of lighting up our town and county, we believe that this undertaking would be beneficial to all involved. We estimate that the initial cost of this project will be approximately Thirty Thousand Dollars (\$30,000.00). That figure would cover the initial electric work, lighting and decor, which we hope to have in place

Our first major fund raiser was very successful. We are now in the process of collecting donations for the 21 yard sale, are planning a catered dinner and silent auction at the Matthews Museum on September 14th, and a bingo on October 12th. We have received donations from businesses and individuals in the town and county, and we have all worked diligently for these events; however, we still need help.

Therefore, this Committee is requesting that the Grayson County Supervisors give a monthly stipend, along with a dollar-for-dollar match up to Ten Thousand Dollar (\$10,000.00), as the town has pledged to do. If possible, we need to know by August 20th, since our order must be to Mosca Designs by August 30th.

We truly believe that *Making Grayson Glow* will greatly benefit our town and county. Reid Walters of Sparta can verify that there is documented increase in revenue in Sparta after installing their lights. Therefore, we respectfully ask you to consider helping in this effort. This will be something that we all can enjoy, as well as future generations.

Respectfully,

Jeff Miller

IN RE: BOARD APPOINTMENTS

EDA (4-year term) – Mr. Greg Webb – term expires 08/08/19

Supervisor Hash made the motion to approve reappointment for Mr. Webb; duly seconded by Supervisor Revels. Motion carried 4-0.

EDA (4-year term) – Mr. Tony Shaffner – term expires 08/08/19
 Mr. Shaffner no longer wishes to serve another term; Supervisor Hash will look for a replacement.

#### IN RE: EMERGENCY SERVICES COMMISSION BY-LAWS/MEMBER CHANGE

Mr. Smith noted that the Emergency Services Commission has requested a change (Section 2 - listed below) in the commission by-laws to allow all non-voting members to have an alternate member – sometimes non-voting members are having trouble making the meetings – that way with an alternate present they would be better able to keep up with what's going on. Mr. Smith also explained that the commission suggested they would like to have the entire Board of Supervisors and County Administration involved and suggested that the Board/County Administration rotate meetings — that way everyone would be involved and make it easier on everyone.

Independence Rescue has requested a change in their primary representative from Robby Wingate to Melanie Boyer. Supervisor Revels made the motion to approve the changes; duly seconded by Supervisor Hash. Motion carried 4-0.

Section 2. The Commission membership shall include the following members:

- One member from each of the fire departments, providing primary emergency response in Grayson County.
- This currently includes: Mount Rogers Fire Department, Rugby Fire Department, Troutdale Fire Department, Elk Creek Fire Department, Independence Fire Department, Fries Fire Department, and Galax Fire Department.
- One member from each Rescue Squad providing primary emergency response in Grayson County.

This currently includes: Mount Rogers Rescue Squad, Rugby Rescue Squad, Troutdale Rescue Squad, Elk Creek Rescue Squad, Independence Rescue Squad, Fries Rescue Squad, Baywood Rescue Squad, and Galax/Grayson Ambulance Service

One member from the Grayson County Sheriff Department.

The above members or the designated alternate shall be the sixteen (16) voting members of the Commission.

In addition, non-voting members or designated alternate of the Commission shall include the following:

-The Emergency Services Coordinator

-The 911 Coordinator

- -One member of the Grayson County Board of Supervisors
  - -The Grayson County Administrator
- Virginia Department of Forestry-Grayson Representative

IN RE: RESOLUTION - TO COVER VOLUNTEER EMS FOR WORKERS' COMPENSATION

Mr. Smith noted this resolution (listed below) is just a formality – coverage went into effect July 1, 2019 and it's ok that the resolution is dated August 8, 2019. Supervisor Hash made the motion to approve duly seconded by Supervisor Revels. Motion carried 4-0.

#### RESOLUTION

### A RESOLUTION TO COVER VOLUNTEER EMS FOR WORKERS' COMPENSATION

WHEREAS, PURSUANT TO THE Code of Virginia 65.2-101, the Workers' Compensation Act does not automatically provide coverage for volunteer members of fire and rescue departments serving public entities; and,

WHEREAS, if coverage is desired for these volunteers, a resolution defining them as employees for the purposes of workers' compensation coverage must be adopted by the governing body and worker's compensation benefits only extend to work-related accidents that are within the scope of their volunteer duties; and

**BE IT RESOLVED**, that the volunteer members of the Fire Departments and Rescue Squads of Grayson County are hereby authorized to be included as employees for the purposes of the Workers' Compensation Act of the Commonwealth of Virginia and are entitled to coverage provided under said Act.

Adopted this 8th day of August 2019, in the County of Grayson, Virginia.

|  | By:                                 |
|--|-------------------------------------|
|  | Kenneth R. Belton, Chair            |
|  | Grayson County Board of Supervisors |
| Attest:  |                                     |
| William L. Shepley, Clerk<br>Grayson County Board of Supervisors |                                     |

Mr. Smith explained that the gas tax was passed for the I-80 improvements and that the interstate does not come through Grayson County and the county is asking for approval of a resolution (listed below) opposing the tax. Mr. Smith also noted that Bland County and Floyd County have passed a similar resolution. Supervisor Revels made the motion to approve; duly seconded by Supervisor Has. Motion carried 4-0. Supervisor Sutherland also noted that no county name was ever named in the Governor's proposal.

#### RESOLUTION

## A RESOLUTION OPPOSING ADDITIONAL GAS TAX FOR INTERSTATE 81 IMPROVEMENTS

WHEREAS, Grayson County has been included in the legislation requiring Counties along the Interstate 81 Corridor to increase gas taxes in the County by seven (7) cents per gallon to fund long-needed improvements for the interstate; and,

WHEREAS, Grayson County, along with Alleghany, Bath, Bland, Carroll, Craig, Floyd, Franklin, Giles, Highland and Page Counties, do not have any part of Interstate 81 within our borders but are being included in this legislation; and,

WHEREAS, the map of included areas was not shown to the affected Counties until after the tax law passed and was signed by the Governor, thereby enacting a major tax hike without sufficient public input and the suggestion is made for an entire re-evaluation of the process; and,

WHEREAS, since over sixty (60) percent of the County's work force travels out of the County for employment, this additional gas tax places a financial burden on already fiscally stressed persons; and,

WHEREAS, while Grayson County wholeheartedly agrees that improvements and repairs are sorely needed for Interstate 81, the unfunded mandate should be shared by all localities in Virginia to ensure equality.

**NOW THEREFORE, BE IT RESOVLED**, that the Grayson County Board of Supervisors strongly opposes the additional gas tax for I-81 improvements for contiguous Counties unless collections from those Counties can be used toward primary/secondary improvements in the respective Counties.

Adopted this 8th day of August 2019, in the County of Grayson, Virginia.

To receive comments regarding the application for Christopher Butler at 639 Wagon Wheel Road, Elk Creek, VA regarding an Eventer Center/Wedding Venue; Tax Map number 21-A-53. Before opening the public hearing, Supervisor Belton noted that he had received a letter regarding some unanswered questions from the planning commission's public hearing that was held July 16, 2019. Mrs. Jada Black, Planning/Zoning Director, addressed the Board with the answers:

- O Question 1: was asked of the Director of Planning & Zoning for the county's recorded definition for "Commercial Recreation Attraction and Events" special use permit and what's allowable? As stated in the Grayson County Zoning Ordinance 2-33: the provision of entertainment, recreation or amusement services at a determined location, and in exchange for a fee the intent is for public use as opposed to private use.
- Question 2: are there other active "Commercial Recreation Attraction and Events" special use permits in the county? Yes, we've had several in the past few years.
- Question 3: what type of attractions and events are presently being staged? On July 16, 2019 Mr. Butler presented the Planning Commission with a business plan specifically addressing the facility uses to include wedding venue, musical events and family and/or class reunions. Mulit-day events, hours of operation, overnight guests, tent or RV camping, there aren't any "checks and balances" in place to protect the neighborhood's current natural amenities; if RV camping were to be considered down the road, Mr. Butler would have to come back to Planning/Zoning and apply for an amended special use permit (two (2) or more RV's is considered a campground).
- Question 4: what's the governance process which controls adherence to this specific type of permit? Should the event center changes use other than what parameters are set by the special use permit, the permit would be revoked, and the Building Department would require a change in use for the structure and the structure brought up for the new use. Should the special use permit not be used for two (2) years, it would be void.
- Event parking and potential traffic concerns: the building permit states the allowable occupancy at 250. The subject of event parking was briefly discussed in the planning commission meeting and they noted it was poorly framed and did not begin to answer where all the cars would park. The existing parking lot doesn't have the capacity; the site plan should address this concern, but again that wasn't made available; suggestions were made but it seemed to confuse the Planning Commission Board members because they may not have actually seen the topography of the area being discussed. With that being said, their impression has led them to a potentially faulty conclusion. A site plan was presented to the planning commission board that night and the board was aware of the current parking area that is graveled; they did take into consideration that the area was not large enough and there would be a need for overflow parking.

The Planning Commission discussed the need for the overflow parking and decided it should be in the adjacent field next to the gravel parking lot. Mr. Butler and the Building Official are currently working to create the proper path of egress to ensure code compliance.

Mrs. Black then led into her staff report (listed below) for the public hearing:

Applicant/Owner: Christopher Butler

Tax Map No. 21-A-53

Location: 639 Wagon Wheel Road, Elk Creek
Purpose: Special Use Permit for Rural Farm

Intent: Commercial Recreations Attractions & Events

## **Event Center/Wedding Venue**

**Overview:** Applicant seeks a Special Use Permit to host events and weddings on his farm. The applicant has constructed a 44X96 agricultural barn with bathroom facilities and warming bar to be used for storage of farm equipment and hay storage, but would also host as a venue for weddings, reunions, special events/occasions, musical events, etc. The purpose of the special use permit is to comply with the zoning ordinance as it relates to this event as Commercial Recreational Events in the Rural Farm zone district.

**Site Characteristics:** Parcel has mostly gently rolling sloping topography, gated, and fenced. The entire track sets on 9.125 acres and located approximately 0.6 miles on Wagon Wheel Road. The house and barn are located approximately 300 to 500 feet off the main entrance. The closest neighboring property is several hundred feet away from the house and barn.

Access/Parking: A VDOT approved commercial entrance has been established and signage already provided by the applicant for designated parking. Large graveled parking area exits and is approximately 2500 sq ft.

Water and Sewer: Applicant has applied to the Virginia Department of Health for a septic system operation permit # 19-138-047. The system will be a non- residential system at 550 gallons per day. Water was approved by the Health Department to use the existing well.

**Safety:** VDOT has been contacted by the applicant to address the speed on Wagon Wheel Road; currently the speed is 55 mph, the applicant had requested a revelation of the speed limit to be decreased to 35mph.

The applicant has also addressed the need for security and safety of attendees when deemed necessary by contacting the Grayson County Sherriff Dept and paying for an off duty police officer during music events.

**Uses:** Agricultural Uses, Event Center, Wedding Venue, Music Events, to hold up to 250 people.

**Additional Information:** Applicant letter to Planning Commission Members addressing business plan. The applicant also will meet with neighbors as a consideration to those that live on Wagon Wheel on July 9<sup>th</sup> at 6:00 to advert any concerns with neighbors.

## Attachment A

The Planning and Zoning Department did not receive any public comments as of noon on July 8, 2019.

 The night of the public hearing for the Planning Commission, fifteen (15) concerned citizens signed up to speak; of the fifteen (15) signed up to speak,

- only five (5) actually spoke regarding impacts to their property, privacy, trash, traffic, traffic speeds alcohol usage, parking, occupancy, visual impacts and noise pollution.
- The Planning Commission addressed concerns regarding trash clean-up and collection of the refuse after events. Dumpsters are to be provided on site and grounds keeping will be conducted by staff members once events are completed.
- Parking to take place in the graveled lot with overflow in the field adjacent to the gravel lot. After much discussion, the overflow field will be left as is, remaining as grass – gravel will not be added.
- Mr. Butler has not applied for an alcohol license alcohol would only be onpremises if a wedding party desires to bring it in for the party – if this is the case, that specific party would need a one (1) day license and hire a licensed bartender.
- Visual impacts were also discussed improve site conditions to the closet neighboring property; add fast-growing Cyprus trees between the property and Mr. Vicars as a buffer to hide the view and help with noise.
- Noise provisions was discussed with Mr. Butler and he will add insulation and wall coverings to the building to reduce the noise of activities. Mr. Butler also agreed to add in a back wall on the deck along with Cyprus trees which will help with noise.
- Discussed was occupancy limits which is set by the Statewide Building Code. Mr. Moss, Building Official, and Mr. Butler discussed the limits regarding size/use in the beginning.
- o Mr. Butler also conducted an information meeting on July 9, 2019 for all his neighbors to hear and address concerns from the neighbors. From that meeting he was able to provide the Planning Commission with a proposed plan of action addressing the occupancy limits, concern for hours of operation, hiring security Mr. Butler did speak with Sheriff Vaughan and will have the ability to hire from the Sheriff's Department for any events that might require security. Occupancy was set at 250 with hours of operation until 11:00 p.m.
- The Planning Commission recommended approving Mr. Butler's application 6-1 with no other stipulations set but by using the proposed regulations set by Mr. Butler with an occupancy of 250; hours of operation until 11:00 p.m.; adding trees as a buffer between the property and Mr. Vicars for noise and/or visual impact; and hiring security from the Grayson County Sheriff Department during events that would require security.

# **Skyline** National Bank

July 26, 2019

Dear Grayson County Board of Supervisors,

I am very pleased to write to you on behalf of Mr. Christopher Butler. I have had the pleasure of banking Mr. Butler for sometime now, supporting his personal and business financial needs. Given his good standing and individual character, we at Skyline National Bank feel fortunate that we have the opportunity to serve Mr. Butler and his family. I am confident any financial institution would greatly entertain the opportunity to do so.

I would like to believe that we, collectively, here at Skyline have earned the right to service Chris and his business. However, if you know Chris, one can clearly see that he values his community and the local businesses that are intertwined within. Chris banks with us simply because we are a community bank, made up of community employees, much of which are his - and your neighbors.

Mr. Butler in many instances has shown great interest in our community since his arrival years ago. Aside from solely working with Skyline National Bank, I have witnessed Chris and his family to be heavily invested in an array of community events and organizations throughout the County. Most importantly, I know of many individuals in our community Chris has benefited though employment and personal philanthropy.

I'm writing you on behalf of Skyline National Bank in support for Mr. Butler and his business endeavors within our community. I am also writing you personally to testify to the kind candor, trusting character, and community involvement that I have witnessed of Mr. Chris Butler.

We live in a special place here in Grayson County. I am honored to be a son of hers and very fortunate to have the privilege of working and raising a family here much like you and your families have done for generations. We cannot contest how valuable it is to have an individual to join us whom values our community and its resources as much as we do. All in an effort to benefit our beloved Grayson County. I know Chris possess the best of intentions for our community and I support his personal economic drive to showcase what Grayson County and its boundless beauty has to offer.

Through Mr. Butlers good standing at this bank, good standing as a business person within our community, and ultimately as a good standing individual; We support him and his endeavors. Let us do our small part in supporting him while he enthusiastically continues to support us and our community.

Thank you for your time

Sincerely Yours

Austin Phipps

Supervisor Revels made the motion to open the public hearing; duly seconded by Supervisor Hash. Motion carried 4-0.

## Eleven (11) speakers at the public hearing

- ✓ Chris Butler Thanked the Board for the time and effort in reviewing the application; very happy to bring business to Grayson County; noted this venue fits many strategies in the Grayson County Comprehensive Plan (Tourism) section 10:1/10:2/10:10/10:11 fits exactly for this facility. Mr. Butler also quoted from the Comp Plan Section 5 on the economy: "Grayson County's transitioning economy continues to convey the importance of the regions natural and cultural assets in the need to support local entrepreneurs".
- ✓ Wanda Pinion spoke in favor of the event center noting that the Butler's are very involved/vested in the community
- ✓ Erin Cox spoke in favor of the event center venue like this is much needed
- ✓ Michael Treat speaking on behalf of neighbors don't want a line of traffic on the road
- ✓ Don Treat lived on Wagon Wheel for 38+ years; spoke against event center concerned with noise/trash/traffic
- ✓ Todd Price noted that he's an entrepreneur and sees the event center as a positive thing for the county; may increase tourism in our area and increase his business (custom sign shop)
- ✓ Renee Lutz handed out a copy of a letter to the Board and Staff (on file in Administration Office) that the residents of Wagon Wheel Road put together and signed stating reasons why they don't want this; driveway to the event center is directly across from her own driveway; recommends cut-off for festivities at 9pm not 11pm; asked the Board to please consider what they would do if this venue was 80yards for their own home
- ✓ Carolyn Delp lived beside the dragstrip for years and moved due to the traffic and noise moved to Wagon Wheel road for piece and quite; currently there is more traffic due to events already happening
- ✓ Rebecca Hall understands everyone's' fears and concerns this is their property should have a chance to do what they want to do on their property
- ✓ Jeff Miller Mr. Butler has talked with the Grayson Glow committee and they completed and supported the Making Grayson Glow float for the parade in July; the barn really fits this area and it also promotes tourism this is a good way to showcase our county the Butlers are doing everything possible to accommodate their neighbors
- ✓ Mr. Vickers (the 80yd neighbor) main concern is collateral damage, hours of operation along with the special use permit is attached to the land and not tied to a period of time or a person the Zoning Ordinance is very vague in the ordinance it doesn't specifically state that the Zoning Administrator has the final authority to enforce the ordinance
- ✓ Mr. Smith read a letter of support that County Administration received from Michelle Pridgen in support of the Butlers (on file in Administration office)

✓ Supervisor Belton read the letter that Mrs. Lutz handed out to the Board and Staff (on file in Administration Office)

Supervisor Belton asked if there are any comments from the Board members; Supervisor Revels spoke stating that we live in a beautiful area and the future for economic development is no longer in factories; our population drops every year; he appreciates the concerns that have been voiced but feels something like this would be a positive for our county.

Supervisor Belton noted that he has visited the place twice; sees the neighbor's point of view along with Supervisor Revels view; the restrictions Mr. Butler put on himself is above and beyond what is required.

Supervisor Revels made the motion to close the public hearing; duly seconded by Supervisor Hash. Motion carried 4-0.

Supervisor Revels made to motion to approve the Planning Commission recommendation for 639 Wagon Wheel Road, Elk Creek, VA event center; duly seconded by Supervisor Sutherland. Motion carried 4-0.

Supervisor Belton noted that the Board needs to discuss the road with VDOT. Mrs. Black noted that Mr. Butler did contact VDOT and to do a road study to have the speed limit reduced, there would have to be three (3) or more accidents on that road (Wagon Wheel). VDOT looks at facts/average daily usage, etc. Supervisor Hash inquired to see if the county could do anything – Mr. Smith noted that the county can make suggestions, but our power is limited since this is a VDOT state-maintained road. Supervisor Revels would like for suggestions to be presented to VDOT. Supervisor Revels made the motion for staff to contact VDOT and fill them in on what's coming soon on Wagon Wheel Road and ask them to make a recommendation on what could be done; duly seconded by Supervisor Hash. Motion carried 4-0.

#### IN RE: COUNTY ADMINISTRATOR'S REPORT

Mitchell L. Smith gave the following report:

- ✓ The Grayson County Fair will be held this Friday and Saturday from 9am-3pm at Bottomleys Farm in Elk Creek
- ✓ Broadband survey is on the website we need to collect the information from all our citizens; once data is entered it will show the need for broadband in the county by this afternoon we've already had 417 responses from facebook and 111 from the Whitetop area
- ✓ On September 23, 2019, Virginia-Carolina Water Authority (VCWA) will be hosting a cookout for its employees and contractors and would like to extend the invitation to the Board of Supervisors begins at 5:30pm and will eat around 6:00pm

IN RE: INFORMATION ITEMS

As presented

IN RE: REGISTERED SPEAKERS AND PUBLIC COMMENT

None

IN RE: BOARD OF SUPERVISORS' TIME

None

IN RE: CLOSED SESSION

Supervisor Hash made the motion to go into closed session pursuant to §2.2-3711(A)(1) of the Code of Virginia to discuss personnel matter; duly seconded by Supervisor Sutherland. Motion carried 4-0.

Whereas, the Grayson County Board of Supervisors has convened a closed session on this 8th day of August 2019, pursuant to an affirmative recorded vote and in accordance with provision of the Virginia Freedom of Information Act; and

Whereas, §2.2-3711 of the Code of Virginia requires a certification by this Board of Supervisors that such closed session was conducted in conformity with Virginia law;

Now, Therefore Be It Resolved that the Board of Supervisors hereby certifies that, to the best of each member's knowledge, (I) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed session to which this certification resolution applies, and (II) only such public business matters as were identified in the motion convening the closed session were heard, discussed or considered by the Board of Supervisors with recorded confirmation from members as follows: Michael S. Hash – I so certify; Thomas R. Revels – I so certify; Kenneth R. Belton – I so certify; Brenda R. Sutherland – I so certify.

Supervisor Sutherland made the motion to move the September 12, 2019 meeting to September 17, 2019 at 6pm due to the VACO Regional meeting that will be held on September 12, 2019; duly seconded by Supervisor Revels. Motion carried 4-0.

## IN RE: ADJOURN MEETING

Supervisor Revels made the motion to adjourn; duly seconded by Supervisor Hash. Motion carried 4-0.
