Grayson County Board of Supervisors Regular Meeting (held at the Grayson County High School Auditorium) December 12, 2019

Members attending were: Brenda R. Sutherland, Kenneth R. Belton, John S. Fant, Michael S. Hash and Thomas R. Revels.

#### IN RE: OPENING BUSINESS

Supervisor Fant made the motion to approve the agenda/consent agenda; duly seconded by Supervisor Hash. Motion carried 5-0.

# IN RE: PRESENTATIONS OR REQUESTS

Mr. Kelly Wilmore gave the following presentation on renovation updates for the schools and noted that if their student numbers hold, they should have some extra money to help on these renovations.

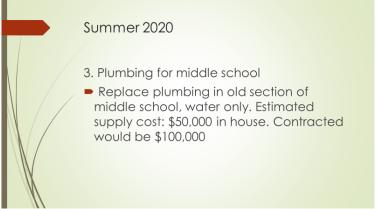

This is a one time thing and should last another 30 years.

Would refinish 5,000 sq ft just like what's in the high school. The multi-purpose room would allow the school to get wrestling back on the school campus (currently at Bridle Creek) and the girls softball (Bridle Creek on rainy days). ROTC and air rifle team would also have a place to practice now.

Three (3) sections to the Middle School: Gym to the left (newer section), the far right is a newer section and the middle section which is the oldest part. We hope to do it inhouse which would save money.

## Summer 2020

- 3. Plumbing for middle school
- Replace plumbing in old section of middle school, water only. Estimated supply cost: \$50,000 in house. Contracted would be \$100,000

# Summer 2020

- 3. Plumbing for middle school
- Replace plumbing in old section of middle school, water only. Estimated supply cost: \$50,000 in house. Contracted would be \$100,000

#### Summer 2021

- 1. Change all plumbing in Fairview Elementary
- ■Estimated cost: \$130,000 to \$180,000
- ■This cost could be affected if asbestos removal or sealing is required.

# Summer 2021

- 2. Convert Fairview Elementary to electric
- Mitsubishi split systems
- Estimated cost: \$130,000 to \$170,000

Probably closer to \$30,000-\$40,000 unless there's something there that they don't know about.

The cost of \$150,000 includes the gym which would be approximately \$50,000.

Same floors as high school plus the floors will not have to be waxed.

We would like to go ahead and pay off early and lease 10 more gas buses.

Supervisor Fant stated that the feasiblity study that the School and County shared the cost on last year asked how this opinion was formed? Mr. Wilmore explained that is was sent to Chris Phillips at RRM and he reviewed all the documentation and this was the order that he suggested we do. Supervisor Fant also inquired about the discrepency regarding the CATE Center roof – during the feasibility study, it stated no roof – has something changed? Mr. Wilmore noted that the roof is a little worse and they are having some leaks. The maintenance department feels that three (3) years down the road, this one needs to be the first on the list besides the cafeteria roof.

Mr. Wilmore also noted that the School Board along with himself would like to thank the Board of Supervisors and Sheriff Vaughan – really appreciate having an armed officer in each of our schools.

Mr. Jeff Miller, Chair, Making Grayson Glow spoke noting that a large part of the lights are up in town and have raised over \$30,000. Dustin Snow gave \$5,000 for the tree in the Town Park and Mr. Miller thanked everyone who has given. It's a three (3) year committee and will begin April 1, 2020 to work more on Making Grayson Glow. At the Town Council meeting on Monday, Mr. Miller gave five (5) superlative awards for helping Make Grayson Glow: Shaina Stockton and Terry Osborne and Town Works. Also a special hat was designed and only six (6) people will receive with one (1) of them being Supervisor Belton. Mr. Miller presented Supervisor Belton with a Making Grayson Glow hat and a certificate.

Mr. William L. Shepley, County Administrator addressed the Board and noted that approximately 16 month ago the Grayson County Agriculture Committee was formed. The County wanted to look at opportunities to improve/expand agriculture in Grayson County and inorder to do that we needed experts on the committee to help guide us. Members of the committee are: Donnie Garman, Brantley Ivey, Kevin Kirk, Michelle Pridgen, Rodney Richardson, Bill Shepley, Mitch Smith, Kevin Spurlin, Brenda Sutherland, Brandon Tomlinson, Elizabeth Hash and John Fant. Mr. Shepley then introduced the new Agriculture Economic Development Specialist, Kristina Banks.

#### IN RE: REGISTERD SPEAKERS

Senator Charles W. "Bill" Carrico addressed the Board with the following:

Thanked the Board for the opportunity to speak. There's been a lot of movement across the State to declare "sanctuary" counties and cities. Senator Carrico noted that he's speaking to try and give some insight on the matter and convince Grayson County that this would be a good thing. Even thought the declaration the County does in any way, shape or form is symbolic. It's a message to the General Assembly members about how this locality feels about this issue. Nothing that the County does symbolically will matter if the General Assembly passes the law – you are still under the Dillon Rule which means the County can't pass a policy or law that supersedes state law. However, by not doing a symbolic measure to show how the citizens of a locality feel, you are doing a disservice to the citizens. It's important to get the message to Richmond. Senator Carrico noted that sanctuary is a symbolic word that's been used over and over - cities that declared themselves a sanctuary for illegal immigrants which meant it didn't provide ICE from going in and taking individuals, it only meant they(city/county) would not assist in doing so.. Senator Carrico noted that he believes the Governor of Virginia has stated his case in the last two (2) General Assembly Sessions – and also noted that he's retiring at the end of the month and he's speaking as a citizen of his County and as a gun owner during two (2) the Governor vetoed two (2) bills stating that a city or county couldn't be a sanctuary because it would send a chilling effect to the city/county that they couldn't be a sanctuary to illegal immigrants. If the Governor feels that way, then why can't a County declare themselves a sanctuary county to protect themselves from the intrusion of violation of their 2<sup>nd</sup> Amendment rights? Senator Carrico stated that the people are speaking, and they are speaking loudly, and the message needs to get to Richmond that this is wrong, and they need to back off this issue and they (Richmond) needs to hear from each County. The people of this County believe in the 2<sup>nd</sup> Amendment right. The 2<sup>nd</sup> Amendment was passed by our forefathers so we could protect ourselves. This is an erosion of our Constitution.

Sheriff Richard Vaughan addressed the Board and thanked the Board for considering making Grayson County a 2<sup>nd</sup> Amendment sanctuary and thanked the citizens for attending tonight's meeting. Sheriff Vaughan noted that he is a life-long resident of Grayson County and was raised to hunt, shoot, respect guns, respect others and most importantly to attend church and put God first. Sheriff Vaughan stated that it's our

heritage here in Grayson County to possess guns and hunt. Growing up in the 70's, school was closed on the first day of deer season so everyone could hunt. The 2<sup>nd</sup> Amendment merely enforces that our God-given right will not be infringed. Having worked in law enforcement for twenty-five (25) years and have never arrested a lawabiding citizen for having a gun and won't start now. Criminals purchase their guns on the black market or people involved in a criminal enterprise, not at a gun shop or Wal-Mart. Gun control does not work, and mass shootings won't be stopped by the bills the legislators are trying to put into place. We can't stand by and let them chip away at our 2<sup>nd</sup> Amendment rights. Sheriff Vaughan noted that the AR15 rifle they want to ban is not powerful enough to even deer hunt with. Grayson County is a rural area - 450 square miles – you must be able to defend yourself against a stronger attacker since it could take deputies 20-30 minutes (or more) to respond to your call for help. Grayson County is a great place to live and raise a family. Violent crime is out of the "norm" here and legislators should not blame our law-abiding citizens and our way of life because of the crimes in large municipalities across Virginia. Sheriff Vaughan also stated that he joins other Sheriff's in the Commonwealth when it comes to the right to bear arms - if necessary, he will utilize his right to properly screen and deputize law-abiding citizens to protect their constitutional right. There is no limit to the number of deputies that he can have which is called the posse comitatus or the force of the County which would allow him to summon a citizen to assist with an emergency such as suppressing a riot, etc. These members would be on stand-by status until needed and activated by the Sheriff. The gun control bills are unconstitutional and if passed as proposed, they will not be enforced in Grayson County.

#### IN RE: PUBLIC COMMENT

Supervisor Belton addressed the audience and explained that the Board wanted to have time to review the 2<sup>nd</sup> Amendment and to also have legal counsel review it to make sure the wording is correct.

Robert W. Davis, Independence, spoke in favor of the 2<sup>nd</sup> Amendment Jesse Walker, Galax, spoke in favor of the 2<sup>nd</sup> Amendment Jeff Wright, Elk Cree, spoke in favor of the 2<sup>nd</sup> Amendment Charlie Burnette, Independence, spoke in favor of the 2<sup>nd</sup> Amendment Mike Hobbs, Elk Creek, spoke in favor of the 2<sup>nd</sup> Amendment Kerry Ruff, Whitetop, spoke in favor of the 2<sup>nd</sup> Amendment Jerry Accord, Independence, spoke in favor of the 2<sup>nd</sup> Amendment Jeff Merilic, Independence, spoke in favor of the 2<sup>nd</sup> Amendment Victoria Burt, Elk Creek, spoke in favor of the 2<sup>nd</sup> Amendment David T Gottsshimer, Rural Retreat, spoke in favor of the 2<sup>nd</sup> Amendment

Mr. Shepley then read the Resolution (listed below). Supervisor Belton then asked if any of the Board members had any comments. Supervisor Fant addressed the Board with the following:

First, thank you all for the energy and passion you have shown towards this issue, the message you clearly want sent, and for your attendance tonight.

Second, thanks to whoever figured out how to send the on-line petitions. It locked up my email for three days. Since everything we do has consequences, intended and unintended, the online gun-rights campaign reinforced to me we really need better Internet.

But the Constitution, and the rights it guarantees, is no laughing matter. There is no question I support the Constitution and all its amendments; we are able to assemble here tonight because of the 1<sup>st</sup> Amendment. However, I also believe there is no question that we have a violence problem in our state and our country. In September our sheriff provided an assessment of crime in our county and it identified assault, which includes aggravated assault, along with illicit drugs, as a significant reoccurring problem. Averaging out the trend analysis, we have an assault incident about every four days in our county. In other areas of the Commonwealth, I suspect the incidents of assault are much worse. Therefore, in fairness, the legislative proposals being debated are an attempt to deal with the real problem: violence.

Yet, it is crystal clear there is widespread, legitimate concern about these proposals affecting our 2d Amendment rights and the possible consequences. Despite having large ears, which don't work very well, I hear you. Upon the completion of our vote, I expect that the board will support the resolution to oppose the current gun-control legislation. The energy and enthusiasm that has been expended on this topic over the last four weeks has been extraordinary. Since we believe that the proposed solutions will not work to address the violence problem, could we, as a community, harness that same energy to propose ideas that might work? Could both sides have a civil discussion about reducing violence?

I offer you three for your consideration and your constructive criticism. None are original thoughts on my part, but I feel could use more emphasis in this debate.

- 1. Education: There is huge misunderstanding about rural Virginia, which the solutions being presented fail to appreciate. We know education is important and a critical component to understanding and to life: just look at our county's public-school system's high test scores and incredibly low dropout rate. Could we work to reduce violence, regardless of the weapon used, through a renewed focus on awareness and formal and informal educational programs? To me, this is a statewide effort that would make sense with multiple benefits. Simply stated, "Don't Take, Educate."
- 2. Mental Health: This is not a new concern by any stretch but there must be additional resources to help our social workers, our law enforcement, and our citizens in crisis. Some of the current proposals may help law enforcement. I don't know. What I do know is, under the state constitution, the sheriff and the commonwealth attorney have discretional authority to enforce and prosecute existing law violations based on his or her experience and the circumstances on the ground. Yet, a comprehensive approach to the mental health issue could provide our social workers and first responders with additional tools to address one of the root causes.

3. Finally, Local Control: As mentioned in the pending resolution, localities need the authority to implement, or not, state directed measures intended to deal with violence. Counties in Virginia do not have that authority. Rural Virginia is different from urban and suburban Virginia. We, and they, should have more local authority to tailor solutions to the circumstances.

Tonight, its proposed we send a message about legislation we oppose while affirming the way of life we enjoy. At some point, we should also send a message to our legislators and governor about how we might help solve the actual problem.

As we all know, every action we take has intended and unintended effects. I have concerns about this resolution; both in the precedent it may set and the consequences which may result, but I will support the resolution in its current form. I ask that these remarks be added to the record.

Supervisor Hash noted that his family has been residents of Grayson County since 1764. Privileged to live in this county and stands with this Resolution.

Supervisor Belton asked for a roll-call vote on the Resolution that was read. Supervisor Revels – aye; Supervisor Hash – aye; Supervisor Fant – aye; Supervisor Sutherland – aye; Supervisor Belton – aye. Resolution passed 5-0.

# RESOLUTION OF THE GRAYSON COUNTY BOARD OF SUPERVISORS

WHEREAS, the Second Amendment of the United States Constitution reads, "A well-regulated Militia, being necessary to the security of a free state, the right of the people to keep and bear Arms, shall not be infringed"; and,

WHEREAS, the United States Supreme Court in District of Columbia v. Heller, 554 U.S. 570 (2008), affirmed an individual's right to possess firearms, unconnected with service in a militia, for traditionally lawful purposes, such as self-defense within the home; and,

WHEREAS, the United States Supreme Court in McDonald v. Chicago, 561 U.S. 742 (2010), affirmed that the right of an individual to "keep and bear arms," as protected under the Second Amendment, is incorporated by the Due Process Clause of the Fourteenth Amendment against the states; and,

WHEREAS, the United States Supreme Court in *United States v. Miller*, 307 U.S. 174 (1939), opined that firearms that are part of ordinary military equipment, or with use that could contribute to the common defense, are protected by the Second Amendment; and,

- WHEREAS, Article I, Section 13 of the Constitution of Virginia provides, "that a well-regulated militia, composed of the body of the people, trained to arms, is the proper, natural, and safe defense of a free state, therefore, the right of the people to keep and bear arms shall not be infringed"; and,

- WHEREAS, certain legislation that has or may be introduced in the Virginia General Assembly, and certain legislation which has or may be introduced in the United States Congress, could have the effect of infringing on the rights of law-abiding citizens to keep and bear arms, as guaranteed by the Second Amendment to the United States Constitution and Article I, Section 13 of the Constitution of Virginia; and,

- WHEREAS, in addition to the individual rights to keep and bear arms as enshrined in the United States and Virginia Constitutions, the Grayson County Board of Supervisors is mindful of the deep cultural and historic roots of hunting within the Commonwealth and the County of Grayson, which precede the founding of the United States, as well as the many conservation and wildlife management benefits to be derived from responsible game management through hunting; and
- WHEREAS, the Grayson County Board of Supervisors wishes to express its deep commitment to the rights of all law-abiding citizens of Grayson County to keep and bear arms as constitutionally protected; and,
- WHEREAS, the Grayson County Board of Supervisors wishes to express opposition to and to discourage the enactment of any law that would unconstitutionally restrict the rights of the citizens of Grayson County to keep and bear arms; and,
- WHEREAS, the Grayson County Board of Supervisors is aware of Virginia Code § 15.2-915, and recognizes the limitations on localities contained therein, and wishes to express its intent that this resolution be construed in keeping therewith, and further wishes to express its intent that, in the event that the General Assembly repeals said statute or otherwise empowers localities to adopt local restrictions or regulations on firearms, that it is the intent to the Board of Supervisors, as currently composed, not to adopt any new restrictions on the right to bear arms; and,

WHEREAS, the Grayson County Board of Supervisors wishes to express its intent to stand as a Sanctuary County for Second Amendment rights and to oppose, within the limits of the Constitution of the United States and the Commonwealth of Virginia, any efforts to unconstitutionally restrict such rights, and to use such reasonable and
