**- MEETING DECORUM –**

**All official meetings conducted within these chambers are to be observed by the following decorum:**

- Behavior during all official meetings shall be consistent with the behavior exercised in any court or legislative room found within the Commonwealth of Virginia; and,
- There shall be no outbursts, booing, heckling or other forms of disrespectful behavior by any individuals present within these chambers; and,
- Persons wishing to speak shall do so respectfully and in accordance with the applicable Rules of Procedures and/or at the specific direction of the presiding official; and,
- Out of respect for the official business being conducted, for those conducting the official business and for those present for same purpose, there shall be no private conversations taking place in the audience or other forms of distractive behavior or nuisance; and,
- Please turn off cell phones and other such devices before entering these chambers.

Grayson County Board of Supervisors  
Special Called Meeting  
384 Wild Turkey Ln, Galax, VA 24333 (Alice House)  
October 27<sup>th</sup>, 2022 at 9:00 a.m.

Members attending: John S. Fant, Kenneth R. Belton, R. Brantley Ivey and Tracy A. Anderson.  
Michael S. Hash attended by zoom.

Guests attending: Mr. Kimball Payne of the Berkley Group.

IN RE: CALL TO ORDER

Supervisor Fant called the meeting to order at 9:01 a.m.

IN RE: CLOSED SESSION

Supervisor Belton made the motion to go into closed session at 9:07 a.m. pursuant to §2.23711(A)(1) of the Code of Virginia to interview candidates for the County Administrator position; duly seconded by Supervisor Anderson.

Supervisor Ivey made the motion to come out of closed session at 6:00 p.m.; duly seconded by Supervisor Anderson.

Whereas, the Grayson County Board of Supervisors has convened a closed session on the 27<sup>th</sup> day of October 2022, pursuant to an affirmative recorded vote and in accordance with provision of the Virginia Freedom of Information Act; and

Whereas §2.2-3711 of the Code of Virginia requires a certification by this Board of Supervisors that such closed session was conducted in conformity with Virginia law;

Now, Therefore Be It Resolved that the Board of Supervisors hereby certifies that, to the best of each member's knowledge, (I) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed session to which this certification resolution applies, and (II) only such public business matters as were identified in the motion convening the closed session were heard, discussed or considered by the Board of Supervisors with recorded confirmation from members as follows: Michael S. Hash – I so certify; John S. Fant – I so certify; Kenneth R. Belton – I so certify; R. Brantley Ivey – I so certify; Tracy A. Anderson – I so certify.

IN RE: ADJOURN

Meeting adjourned at 6:01 p.m.

---

John S. Fant, Vice Chair

Grayson County Board of Supervisors  
Regular Meeting Minutes  
November 10, 2022

Members attending in person: Michael S. Hash, John S. Fant, R. Brantley Ivey, and Tracy A. Anderson.

Members absent: Kenneth R. Belton

Staff attending in person: Leesa A. Gayheart and Linda C. Osborne

Staff absent: Mitchell L. Smith

IN RE: OPENING BUSINESS

Supervisor Hash, Chair entertained a motion to approve the agenda/consent agenda with a request from the Chair to amend to the closed session, the addition of two (2) items: under §2.2-3711(A)(1) of the Code of Virginia, to discuss personnel – County Administrator applications and §2.2-3711(A)(7) for briefings with staff members pertaining to other legal matters involving the safety and welfare of citizens. Supervisor Hash also noted the removal of one (1) presentation from the agenda, Ms. Jill Burcham – unable to attend and will reschedule her presentation and Mr. Tom Revels is unable to attend so Supervisor Fant will give an update regarding broadband. Supervisor Ivey made the motion to approve the agenda/consent agenda with the stated changes; duly seconded by Supervisor Fant. Motion carried 4-0.

Supervisor Hash noted that before going to the next item on the agenda, Supervisor Fant would like to make the following statement: “The applicant for this special use permit is a neighbor – the applicant’s farm joins Supervisor Fant’s farm – we’ve not spoken in regards to what he’s trying to do or wants to do.”

IN RE: PUBLIC HEARING(S)

- Southern Skies Chow Chows – Jada Black, Planning & Community Development Director addressed the Board and noted:

Application No. 20220156 is a request for a Special Use Permit pursuant to Article 4 Section 4-6.2.e of the Grayson County Zoning Ordinance to authorize the operation of a Commercial Breeding Kennel on one parcel containing approximately 52.486 acres of land located at 2398 Carsonville Road (Route 660) and further identified as Tax Map No. 36-A-48. The property is zoned Rural Farm (RF) and is located in the Providence district.

Mr. Sedillos currently houses 11 canines; of the eleven, eight (8) canines are used for breeding Chow Chow show dogs. Three others are seniors and are now considered companion animals. In the past five (5) years, Mr. Sedillo's breeding operation has produced 22 puppies.

The Grayson County Zoning Ordinance defines a Commercial Breeding Kennel *as any structure used to house five(5) or more intact females of canines or felines kept for a commercial purpose, such as to breed and sell companion animals.*

### **DESCRIPTION**

- Property Owner: Jeffrey Sedillos
- Location: 2398 Carsonville Road, Elk Creek ( Route 660)
- Area: Approximately 52.486
- Frontage: Carsoville Road 101.94 feet
- Utilities: Private sewer and water
- Topography: Relatively rolling and slopping, FEMA Floodplain
- Zoning Classification: Rural Farm
- Existing Development: Residential Single Family Dwelling, Agricultural
  
- Surrounding Development:
  - North: One residential dwelling on 41.22 acres and farming operations
  - East and South: The subject parcel adjoins Bottomley Properties, where agricultural operations occur and Christmas trees production on approximately 253.247 acres
  
  - West: Subject parcel adjoins Summerfield Pastoral Farms, LLC, approximately 174.152 acres; sheep productions are conducted.
- Proposed Development: Breeding Kennel

### **CONSIDERATIONS/CONCLUSIONS**

1. The subject parcel of the 52.486-acre site is located in the Providence District and bound by primarily agricultural farmland. The property is designated Rural Farm, as well as all the properties surrounding the subject parcel. Research indicates the area has no historical references through the Virginia Historical Society and is not designated within the Enterprise Zone or Opportunity Zone.
2. Access to the proposed Commercial Breeding Kennel is by way of Carsonville Road (Route 660). The most direct route is from Elk Creek Parkway to Carsonville or by US 58 West to Riverside Drive to Carsonville Road.
3. Site plan for the proposed kennel sizes and locations are attached for additional information. Two lean-tos and one building are proposed.

The property is primarily in the 100-year floodplain, impacts to the floodplain will not increase water surface elevation on the base flood. The two structures meet the exemption of Section 4-4D of the Grayson County Floodplain Ordinance structures will be open-walled, allowing the passage of floodwaters through the structure, and properly anchored to prevent flotation.

- One 12X70 open-walled structure at the end of an existing 60X120 enclosed 10-foot fenced-in exercise yard (Tennis Court) will provide shelter for six (6) 10X40 kennel runs.
  - Second structure is a 12X24 used for shade within the same enclosure.
  
  - One building, 8X50 lean-to for housing purposes, is located outside the floodplain and behind the residential house and will not impact floodplain elevations.
4. Impacts to property, adjoining properties, surrounding properties, public service facilities, noise, water/sewer, roads, schools, churches, businesses, parks, fire, and rescue will be nonapplicable for certain public services and facilities. Although noise could be an issue with this type of business, the property is buffered by several hundred acres, south, east, and west which would help minimize the intrusiveness of the barking for surrounding neighbors, and no more than the surrounding farming operation would produce with livestock.
5. Project consistent with the Comprehensive Plan? Although the Comprehensive Plan does not explicitly spell out this type of use, one could consider Economic Development and Tourism related as this particular type of business would bring in travelers to stay, visit and spend to our area. Chapter 5, Strategy 5-1 of the Comprehensive Plan, speaks regarding supporting and expanding existing businesses and attracting new ones.

Mrs. Black noted that she has not received any feedback from anyone including adjoining landowners. Mrs. Black also noted the State Requirements: §3.2-6057.2 – Commercial dog breeding; requirements:

1. Maintain no more than 50 dogs over the age of one year at any time for breeding purposes. However, a higher number of dogs may be allowed if approved by local ordinance after a public hearing. Any such ordinance may include additional requirements for commercial breeding operations;
2. Breed female dogs only: (i) after annual certification by a licensed veterinarian that the dog is in suitable health for breeding; (ii) after the dog has reached the age of 18 months; and (iii) if the dog has not yet reached the age of 8 years;
3. Dispose of dogs only by gift, sale, transfer, barter, or euthanasia by a licensed veterinarian;
4. Dispose of deceased dogs in accordance with § 3.2-6554;
5. Dispose of dog waste in accordance with state and federal laws and regulations; and

**6. Maintain accurate records for at least five years, including:**

**a. The date on which a dog enters the operation;**

**b. The person from whom the animal was purchased or obtained, including the address and phone number of such person;**

**c. A description of the animal, including the species, color, breed, sex, and approximate age and weight;**

**d. Any tattoo, microchip number, or other identification number carried by or appearing on the animal;**

**e. Each date that puppies were born to such animal and the number of puppies;**

**f. All medical care and vaccinations provided to the animal, including certifications required by a licensed veterinarian under this chapter; and**

**g. The disposition of each animal and the date.**

2008, c. 852, § 3.1-796.77:2.

**PLANNING COMMISSION RECOMMENDATION TO BOARD OF SUPERVISORS**

The Planning Commission received the Special Use Permit (SUP) application for consideration at the regularly scheduled October meeting. A public hearing was held with no general public in attendance, and none was taken by phone or email from staff.

Considering the facts above and the application presented, the Planning Commission recommends approval of the Special Use Permit to the Board of Supervisors as submitted for an operation of a Commercial Breeding Kennel on parcel tax map number 36-A-48 in the Rural Farm Zone, Providence District;

With conditions for the special use permit to remain valid, the owner/operator will comply with the § 3.2-6507.2 (6)(a-g) of the Code of Virginia requirements; *(See above Code of VA requirements above)*

Maintain accurate records by submitting the kennel operation records to the Planning Department for compliance with the Special Use Permit before receiving a yearly kennel tag.

Mrs. Black noted the applicant applied for the request in September and has completed the process (advertisements) to apply for a Special Use Permit.

Supervisor Anderson made the motion to open the public hearing; duly seconded by Supervisor Fant. Motion carried 4-0.

Mr. Sedillos of Carsonville Road, Elk Creek, noted that by the ordinance of the regulations identified as the Commercial Breeding Kennel, this is really a show kennel – have raised chows for over 50 years with emphasis on breeding very high-quality dogs – record keeping that Mrs. Black spoke about is required by AKC, so that’s not an issue – would like to have 2-3 litters a year – do have health certifications on all dogs. Commercial operations are often referred to as a “puppy mill” – doesn’t want to be associated with that distinction – moved to Grayson County over a year ago and though we could do what we wanted to do – applied for zoning in April and had we applied in April, we’d be better off and farther along. Per Mrs. Black, this is not considered agriculture by the County Ordinance. Supervisor Fant made the motion to come out of closed hearing; duly seconded by Supervisor Ivey. Motion carried 4-0. Supervisor Anderson made the motion to approve the request as presented; duly seconded by Supervisor Fant. Motion carried 4-0.

#### IN RE: PRESENTATIONS OR REQUESTS

##### Opioid Abatement Authority Update

Vicky Keesling, Grayson County Day Report Director – presented a video to the Board on behalf of Judge Harrell regarding Recovery Court. Mrs. Keesling noted that previously the Board gave 50% of the funds to Day Report and 50% to recovery court and since then, more money has been received and wanted to make sure the Board is still good with 50/50. The money will be used for SA Counselor, peer support specialist, travel expenses (gas cards, transportation), housing (hotel vouchers), SA trainings for the team/individuals, Narcan training, drug tests (fentanyl test strips), workout equipment, rehabilitation treatment for substance abuse, educational books understanding addiction, and life coach (life skills, self-care) – this list has been discussed with Brandon Boyles - Commonwealth Attorney, Leesa Gayheart – Director of Finance, Judge Lee Harrell and Mitch Smith – Interim County Administrator to come up with ways to help our community. Mrs. Gayheart noted that the money received for the first year was \$9,109 which was fiscal year 2022; since then we’ve received another \$9,500 and a \$36,000 payment totaling approximately \$45,000 in addition to the \$9,109 – opportunity to

receive even more through the Opioid Abatement Authority (OAA) – new agency and hopes to set a gold standard for the use and data reporting – Grayson County Day Report and Drug Court would like to be the first that that gold standard – we’ve reached out to the director of the agency and Mr. McDowell has advised to track the funds separately (which we are already doing), beware of reimbursements from prior year’s expenses (we have none), don’t charge local funds or indirect fees on local level – County can’t supplant money, closely follow Exhibit E (on file in Director of Finance Office) which is the guidelines on how these funds are to be spent and attend the workshop in January 19 and 20, 2023 at the Omni Hotel in Richmond – advised taking things slow to ensure that the developing guidelines are met. Mrs. Keesling noted they wanted to keep the Board informed and make sure they are still good with doing 50% to Day Report and 50% to Recovery Court and recommended it stay that way. Mrs. Gayheart noted based on the information from the OAA, this first year we will receive \$9,100 for FY22; \$9,573 for FY23 – if we meet the gold standard it would be an additional funds – the additional money is also a part of the opioid settlement funding – just not given directly to the locality, it was given to the OAA; \$9,573 for FY24; \$11,982 for FY25 – FY27. Supervisor Ivey made the motion that all funds coming from the Virginia Opioid Abatement Authority will be split 50/50 between Day Report and Recovery Court; duly seconded by Supervisor Fant. Motion carried 4-0.

Stephen Durbin, County Attorney, addressed the Board and noted the presentation and video was very well done. Mr. Durbin noted that the OAA has been established pursuant to the settlement agreements and Grayson County has joined the other localities of the Commonwealth in the litigation. The defendants have structured the settlements to be allocated such as 15% of the settlement funds that Virginia receives will come directly to Grayson County, another 15% going to the OAA which will flow down to Grayson County as well other counties; additionally, 15% went to the Commonwealth of Virginia and the remaining amount to OAA. For FY23 the county will receive \$9,573 from the distributors and \$36,466 from Jansen along with \$20,221 from the OAA totaling \$66,259 along with a 25% incentive of \$5,055 for complying with the gold standard and agreeing to comply with the gold standard and county staff (Director of Finance) will be responsible for filling out the certification regarding the gold standard – the paperwork doesn’t exist at this point but they could ask for a resolution from the Board – it will be administered through the gold standard. Mr. Durbin noted that these amounts are what has been agreed to for settlements – there are other matters currently in litigation so there is a possibility of the County seeing other settlements in the future. Regardless of the terms of settlement, the County obligation will be to comply with the terms of the settlement. In order to participate in the additional funds through the OAA, there will be a somewhat higher level of compliance in how the County uses the money that is received from the OAA funding – the OAA is not fully up and running yet – there will be a presentation to localities on January 19, 2023 in Richmond with a workshop on how to comply. Local governments do have representation on the Authority – member of the General Assembly will be on it as well as local governments – Mr. Durbin will look into having a permanent representative on the Authority. Regarding Community Service Boards, Mr. Durbin is not sure if they are

receiving their own funding or not. As long as the purpose is supported by something in the list that the OAA gave, we should be able to justify that expenditure. In addition to the funds that go directly to the localities from the OAA, Mr. Durbin understands there will be more funding for regional projects which may be a good time to partner with neighboring localities or create something in house that you would apply for additional funding from the Authority – not guaranteed funding though. The OAA will be conducting listening sessions on December 1 at Blue Ridge Behavioral Health Care in Roanoke; December 3, 2022 in Fairfax and on January 30, 2023 in Hanover. A virtual one will be held on February 12, 2023 and more in February, March, and April with the one in Roanoke probably the closest one – recommends Grayson County plan on having someone attend and give input. Mr. Durbin noted the additional funding not geared toward the gold standard feels it needs to be opioid related but could possibly be tied into drug use (treatment) – prevention programs could possibly be considered but would need to be raised during the workshops with OAA – some of the things the lists notes is funding media campaigns to help prevent opioid use; advertising; public education campaigns relating to drug disposal; drug takeback programs; funding community anti-drug coalition are a few of the things on the list. Supervisor Fant made the motion for staff to make sure that we have representation at the workshop in December; duly seconded by Supervisor Anderson. Supervisor Anderson noted that if a board member is needed, he would volunteer to attend, and Supervisor Ivey noted he would attend if needed as well. Motion carried 4-0.

Mr. James L. Werth, Jr., Chief Executive Officer – Tri-Area Community Health Request: Mr. Werth noted that Tri-Area Community Health has a center at Grant and they are requesting support from the County for the opening of a Community Health Center site in the Town of Fries. Tri-Area has purchased a building that will allow us to put a clinic and pharmacy in the Town as soon as they can get federal approval and have staff. For the clinic to be most useful for patients coming in with a variety of acute needs, they believe they need an x-ray unit which would cost approximately \$61,000, once the freight is added in with the start-up costs of a new clinic and pharmacy, they will not have the capital to purchase the machine, hoping to have the money to add this service at some point in 2024. If the County has funds available that could help us afford to put an x-ray unit in the building, they would commit to hiring a Radiologic technologist, realizing that the county may not be able to fully support the cost of a unit, and would welcome any contribution that would allow them to afford offering this service as soon as possible. Because they are federally funded, they have to receive permission, which will be submitted on Monday; they then have 60 days to contact Tri-Area Community Health; once contacted, the clinic would have 120 days to get going – goal is to be operational in the clinic area by January 2023 and the pharmacy part would be a little bit later due to the renovation. We feel this clinic will be very successful, just like the one in Grant. There is space for two (2) providers in Fries if the need arises, we can expand. Supervisor Ivey inquired about whether the EDA has been approached for support and if the clinic is in Grayson County or Carroll County and Mr. Werth noted that it's in the Town of Fries and

if there's another route that they need to take, he'll be happy to. Supervisor Hash asked staff to consider funding resources through the EDA. During the discussion, Mr. Werth noted that funding hasn't been figured out yet regarding Wellspring. The \$61,000 is the total request. Mr. Werth noted this is a walk-in clinic not requiring an appointment – same day access; having this second location in Fries would not hinder a possible Whitetop location which is still on the table as well as Elk Creek. Consensus of the Board is to have staff research the possibility of funding through the EDA. Mr. Werth noted that the Town of Fries has been approached but has requested no funds from the Town of Fries. The Board requested an update on this at the December meeting.

#### Supervisor Fant – Broadband Update

Progress continues to be made, all be it slowly, on the County endorsed broadband project. The following comments pertain to progress made and issues encountered since the end of September.

- During the month of October, 18 new connections with citizens homes and/or businesses were completed. The total number of customers served stands at 70 fiber and 24 wireless connections – making slow progress
- County staff have been working on revising the current county website to add a feature that will enable citizens to log in and obtain an estimated timeline for broadband connections in their community. By typing in an address, a citizen can obtain a target date for when Gigabeam will be in their community to make both fiber and wireless internet connections to homes and businesses. The estimated times are based on target dates provided by Gigabeam and are subject to change based on install challenges experienced by Gigabeam.
- The Board of Supervisors, the county's Broadband Project Manager and representatives of Gigabeam are working on a schedule for community meetings to be held over the next several months to discuss the broadband project and the implementation process in the 17 defined zones across the county. The schedule for upcoming meetings dates and times will be published in the newspaper, on the county website, and via social media.
- Several new challenges have been experienced that may impact the implementation of the project during the past month.
  - a. The last mile fiber being deployed by Gigabeam is being hung on utility poles currently carrying AEP electric cables. In some instances, the undergrowth in the existing rights-of-way is preventing the internet fiber cable from being hung. Specifically, the problems are: (1) access to poles, and to laying the fiber on the ground between poles to facilitate raising it for installation on the poles is being prohibited; and (2) undergrowth is at a height that prevents hanging the fiber cable between poles. Gigabeam is

in discussions with licensed contractors who are allowed to perform right of way clearing by AEP to assist in clearing the obstructions where they exist.

- b. The subcontractor who made the difficult splices in the fiber hung by AEP that enables Gigabeam to connect their fiber for customer connections places some of the splicing connections in places not specified by the project engineering design plan. AEP is working with the subcontractors to correct these placement issues. The importance of this issue is the fiber lengths between the AEP fiber and the home can not exceed 2500 feet. The exceptions in splicing terminal placements cause some customers who the projected planned to serve to fall outside of this length of service requirement.
- An administrative meeting will be held at the end of this month between AEP, Gigabeam, state staff, and county staff to discuss the project and to discuss ways to accelerate the progress made on connecting customers to the new broadband service.

Mr. Keith Weatherman, Director of Grayson County Parks and County-Wide Recreation, gave the following update:

- Developed background policies for coaches
- Approximately 200 participants in the fall sports
- Participated in the homecoming parade
- Open gym for all ages at the high school on Saturdays from 9am-12 noon – would like to do the same thing at Highlands School and Fries on different evenings
- Capital Improvements:
  - revised the pool plan – was not showing ADA compliance (access into the pool) – this winter they will do all the filtration system; will replaster pool in fall of 2023 and add steps and a lift
  - parking lots – increased parking by 50 spaces at 1 field
  - field renovation - skid steer loader will be donated to use for the project
  - NRVJR inmates painted the park office
  - Tennis Courts – a group has come forward that would like to build a building at the park – girls softball, hitting facility – multi-sports facility, more than just for girls softball – possibly doing away with 1 tennis court, offering indoor pickle ball - Grayson County Sports Authority (built baseball field) and Grayson Health and Wellness Commission (built softball fields) – the baseball building is 60x90 was also built by the same group – some have come forward wanting to donate money for this along with doing fundraisers – this is in the early stages and would like to build an 80x100 building – would like to do this in a 2 year span – during the winter, there is no inside facility at the park – in the summer, there's no place to go if the weather is bad – if the building is put on the tennis court, we could do

artificial turf inside the building – asking for approval from the Board to use the tennis court. Supervisor Fant noted that part of the budget that was passed this year, there was a restriction on the money allocated/appropriated for the possible renovation of the football field predicated with the school system that we would have access to their facility – we have a lot of facilities already that are potentially accessible. Mr. Weatherman noted that we have the go ahead on the agreement with the school – this would be an additional building/gym that would be put to good use. The batting cage belongs to the school and has a gravel floor – possibly could put in a floor instead of building a new building. Supervisor Ivey noted that this group of citizens are wanting to improve rec facilities at the park – Supervisor Ivey noted the budget was based off of the prior rec director’s vision – in terms of the building, would like to see a better plan – personally in support of improving recreation across the entire county especially when you have private support. Supervisor Anderson inquired about an indoor walking facility and Mr. Weatherman noted that’s a possibility – Supervisor Anderson noted this needs to be a community building. Supervisor Fant noted this needs a more comprehensive approach – heading in the right direction. Mr. Weatherman noted that we have 6 very nice tennis courts at the high school – it does take a lot of money to renovate the tennis courts – we would be using the money that was budgeted for the tennis courts to renovate 1 tennis court and build the building or keep the money in this line item.

- Falls Project – Virginia Department of Game and Inland Fisheries will be studying stocking this spring; Virginia Department of Highways volunteers came and cut a lot of brush; Day Report worker who is a professional tree trimmer will be trimming some trees at the park and at the falls
- Baseball – Softball – making some changes there so there will be less travel
- CATE Center has been using the park for their drone classes

Mr. Dylan Morris, Assistant Director of Grayson County Parks and County-Wide Recreation, gave the following update:

- Looking for a recreation program software to have online registration for sports at the park – it would be an annual fee
- Halloween event – had over 1,000 kids/parents and hope to expand on for other holidays events
- Looking to do open gym for pickle ball at Independence and at Grayson Highlands School
- Summer – looking to do weeklong themed (sports, hiking, etc.) summer camps – half day and then half day at the pool; can hire a part time driver to drive the county bus – looking to do the summer camps in the different areas of the county

- Working with Mr. Paul Hoyle to do an Emergency Services week – ages 10 – 14 for a weeklong camp
- Kayak classes – Paddleyaks will give the park a good deal on 6 kayaks – multiple entrances into to river that can be used – will have a shuttle for drop off and pick-up with Mr. Morris teaching the class – beginner to experienced classes for youth and adults
- Meeting with the New River Wildlife Club to partner with them on fishing classes, kayak classes, etc.
- Working on getting mountain bike trails at the park and Grayson Gravel First Trail
- Day trips – senior trips, adult trips, hiking trips, etc.
- Supervisor Fant invited Mr. Morris to attend the next Grayson County Senior Advocacy Committee meeting on Friday, November 18
- Winter sports – deadline is December 16, 2022

Supervisor Hash noted that Mr. Landis has developed some gravel bike trails in Grayson County and worked with our tourism department and Mr. Morris noted that he has spoken with Tracy Cornett, Tourism Director, and that’s definitely something they want to expand on. Supervisor Anderson noted that Mr. Morris is a 2013 graduate of Grayson County and came back to the County.

IN RE: OLD BUSINESS

None

IN RE: NEW BUSINESS

- Board Appointments

Economic Development Authority (EDA) - 1-year term – Mrs. Elisa H. Blevins resigned her appointment – the new appointee would be filling Mrs. Blevins’ term to 04/13/23. After some discussion by the Board, Supervisor Ivey made the motion to appoint Mr. Jonathan Warren; duly seconded by Supervisor Anderson. Motion carried 4-0.

Mt. Rogers Planning District Commission – 4-year term – Mr. Steve Clark has moved out of the state and a representative from the Town of Fries will need to be appointed to replace Mr. Clark – term would end 07/09/25. Supervisor Hash noted that Ms. Yvonne Burr would be willing to serve. Supervisor Fant made the motion to approve; duly seconded by Supervisor Ivey. Motion carried 4-0. Staff will contact Ms. Burr.

IN RE: COUNTY ADMINISTRATOR’S REPORT

Mrs. Leesa A. Gayheart gave the following report:

- On Mon., Nov 7 through Sun., Nov 13, the County will join in with NACo and the National Association of County Veteran Service Officers for Operation Green Light

for Veterans by lighting the County building “green” – by shining a green light, we will let veterans know that they are seen, appreciated, and supported – we encourage businesses, community organizations and citizens to light their buildings/home green in support of all veterans.

- There will be a Western Grayson meeting on November 29 at 7pm at the Goodwill Grange in Grant to discuss the Multi-Use Facility – public is invited to attend

#### IN RE: INFORMATION ITEMS

As presented

#### IN RE: REGISTERED SPEAKERS AND PUBLIC COMMENT

None

#### IN RE: BOARD OF SUPERVISORS’ TIME

- Supervisor Fant congratulated the Marine Corp on 247 years and thanked Supervisor Ivey for his service
- Supervisor Hash noted there would be a joint meeting of the Board of Supervisors and the Planning Commission on November 17 at 6pm to hear public comments at a public hearing for a special use permits to erect two (2) towers for GigaBeam.

#### IN RE: CLOSED SESSION

Mr. Durbin noted that the code §2.2-3711(A)(7) quoted at the beginning of the meeting which would allow briefings by staff on certain legal issues has been amended to separate those legal exceptions from one part into two now – (A7) is strictly limited to actual or probable litigation and proposes §2.2-3711(A)(8) which is consultation with legal counsel concerning specific legal matters requiring legal advice by counsel. Supervisor Fant made the motion to go into closed session pursuant to §2.2-3711(A)(19) of the Code of Virginia for discussion of plans related to the security of any governmental facility, building or structure, or the safety of persons using such facility, building or structure and §2.2-3711(A)(1) and §2.2-3711(A)(8) consultation with legal concerning other specified legal matters – legal options regarding public safety; duly seconded by Supervisor Anderson.

Supervisor Hash requested a 5 minute break and then the meeting resumed in closed session.

Supervisor Fant made the motion to come out of closed session; duly seconded by Supervisor Ivey. Motion carried 4-0.

Whereas, the Grayson County Board of Supervisors has convened a closed session on the 10<sup>th</sup> day of November 2022, pursuant to an affirmative recorded vote and in accordance with provision of the Virginia Freedom of Information Act; and

Whereas §2.2-3711 of the Code of Virginia requires a certification by this Board of Supervisors that such closed session was conducted in conformity with Virginia law;

Now, Therefore Be It Resolved that the Board of Supervisors hereby certifies that, to the best of each member's knowledge, (I) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed session to which this certification resolution applies, and (II) only such public business matters as were identified in the motion convening the closed session were heard, discussed or considered by the Board of Supervisors with recorded confirmation from members as follows: Michael S. Hash – I so certify; John S. Fant – I so certify; R. Brantley Ivey – I so certify; Tracy A. Anderson – I so certify.

IN RE: ADJOURN MEETING

Supervisor Anderson made the motion to adjourn; duly seconded by Supervisor Ivey. Motion carried 4-0.

---

Michael S. Hash, Chair

## **Executive Summary**

The three projects in review are the Fries restaurant, Fries business condo, and the old Fries hotel, with \$300,000, \$600,000, \$700,000 invested respectively. This is a total invested of \$1,600,000 with only \$175,000 of this total investment financed. This development group has already put in a significant amount of money to revitalize these old downtown buildings, with plans to open and operate the businesses in the Town. Due to the amount of cash invested and the positive economic impact, we are requesting financial support from the Grayson County Board of Supervisors and Economic Development in the amount of \$30,000 to help push these properties forward.

The best uses would be to operate the Fries restaurant as a middle tier restaurant and taproom with live music and events. We will plan to convert the condo to a daycare downstairs (pending playground rules), and a business condo upstairs that hosts a counseling center. Finally, we will either open a children's home, or restore the old hotel to its original purpose and place it on Air BNB, VRBO, HomeAway, etc. Currently, the plan is to operate the old hotel as a children's home to help support the number of kids going into the foster care system; however, we do have a backup plan in place.

Given these business opportunities our group is investing in, we believe that the restaurant will create approximately two full time positions and four to six part time positions, for a total of six to eight positions. The childcare center will create approximately six full time positions and three part time positions. The counseling center will create three full time positions and two part time positions. This will be a total estimated job creation of eleven full time positions and nine part time positions; however, the economic impact of this will be far greater than just jobs created. Our investments are hitting key needs in the community, especially as it relates to the need for child care and foster care. The increased travel to and from work, along with the revenue streams will create the opportunity for future developments in the Fries area, including a significant investment that is currently in the planning stage from this development group.

# Fries Restaurant Development

439 West Main St

## Recommendation of Best Use

### Riverview Taphouse

For a 3D modeling of the finished building, please click: <https://home.by.me/en/project/mzmc5w59v7-3408/fries-restaurant>

Restore the property and retain it as an operating restaurant. Based on the surrounding demographics and the average area income, the model of the restaurant should be a medium tier establishment. Recent trends push toward craft beer combined with a sit-down experience. I would model this operation off of a similar example in Winchester Virginia called the 50/50 taphouse. With the business being a taphouse, you can source your mainstream beers and ciders, such as Devil's Backbone, Angry Orchard, etc. but you can also have a rotating locals feature from more regional breweries (Seven Dogs in Wytheville). Having a common food base (burgers) with rotating toppings reduces your overhead and waste by sharing common ingredients such as your buns and ground beef. This allows you to order in significantly higher quantities for your higher price items with less of a chance of waste. The pricing model, based on your location and your regional competition would be around \$10 - \$12 per meal with alcohol being your main source of profit margin. The idea behind a taphouse model like this is that you float your business with the food and make your profit off of the beers, ciders, and mixed drinks.

Given the proposed layout below, I would recommend utilizing three main areas as your “market advantage”, your top floor river-view room, your open space on the top floor, and your outside dining area. Given the size and view available in the large open room upstairs, I would design this room as a feature dining room when in operation while advertising for private event rentals during non-peak times and days.

With the open space that joins the old office upstairs, I would recommend removing the office at the front of the building and replacing it with a simple stage for live music performances. During operation, sourcing both local and regional talents on peak nights (Friday and Saturdays) will increase your foot traffic as well as your community reputation. During special event rentals, this stage will also serve as a selling point for ceremonial uses and business meetings.

Lastly, given your outside space’s proximity to the main street, river, and park, this would be an optimal place for outside dining, as well as a larger multi-use space. The extra space, not used by dining could be used for a gas firepit, cornhole tournaments, and any other outdoor event to increase community engagement. By utilizing this space to host events and using the stage to host musicians, this restaurant would operate not only as somewhere to eat, but as somewhere to hang out and drink beers, cider, etc.

#### **Additional notes:**

- Comparison models to base your operations and business of off would be:
  - **Fifty Fifty Taphouse:** <https://www.5050taphouse.com/>
  - **Boondocks Taproom:** <http://www.boondocksbeer.com/>
  - **Creek Bottom:** <https://www.cbbrews.com/lil-bottom/>

#### **Demographics (Appendix B)**

The demographics that would impact your business on a local basis would be within a 30–45-minute drive (with proper advertising) and between 18 – 65 years of age:

- Wytheville – Population of 8,241, with 51.2% being between 18 and 65, and a per capita income of \$40,544
- Galax – Population of 6,600 with 47.8% falling in your demographic, and a per capita income of \$24,521
- Grayson – Population of 15,359 with 54.4% falling in your demographic, and a per capita income of \$24,770
- Wythe County – Population of 28,178 with 53.5% falling in your demographic, and a per capita income of \$31,64

#### **Conceptual Floor Plans**

## Fries Business Condo

### Recommendation of Best Use

With this project, there are two components to the building, with both businesses sharing a common lobby.

The first business on the ground floor would be a state licensed daycare facility (see attached business operating projections). <https://home.by.me/en/project/mzmc5w59v7-3408/business-condo-downstairs>

With this state licensed facility, I would recommend applying to become a subsidized daycare facility to serve all populations of this area and broaden your customer base. According to the market rate survey completed by the Virginia DSS the average rate would be between \$45 and \$50 per child per day. With a capacity of around 40 kids, that is approximately \$1,800 per day, \$9,000 per work week, or \$459,000 per year.

### Additional Considerations:

- This type of facility is considered a top priority need for Grayson County.
- Due to the nature of this facility, it is considered to be a “Community support service” and may be eligible for better financing through a community facilities permanent loan issued by a group called FAHE.

## Floor Plan:

## Counseling Center:

The second use of this building, upstairs, would be for a counseling center. With this counseling center, I would support both general community counseling as well as a focus on children's' counseling services to support the potential use of the old hotel. For a 3D view of this building, please click: <https://home.by.me/en/project/mzmc5w59v7-3408/business-condo-upstairs>

With this counseling center, hiring qualified staffing will be important. With counseling, someone can be a "life coach" and a general non-insurance billing counselor without a state licensure. These rates are usually self-pay, and in this region run about \$45 per hour. With a licensed counselor, the center can bill insurance as well as Medicaid for the children in the possible children's' home. With insurance billing, the hourly rate is on average \$150 with a self-

pay rate of \$85. Please see counseling center income projections (attached). One major consideration will be an office manager who knows how to bill insurance and Medicaid.

**Floor Plan:**

## Fries Hotel

### Recommendation of best use

Given the special needs being met by this, there are a few special financing options to pursue. The same financing being used for the daycare center should be considered with a 40-year term fixed at 5%; however, there is a current conversation ongoing with Virginia Housing. There may be some type of grant of financing offered up through them. For now, we will use the 40-year fixed for projections.

Children's Residential Facilities (CRF): These provide 24-hour care, guidance and protection to children placed through local family assessment and planning teams under the Comprehensive Services Act or private placement by parents or legal guardians.

The last, and final option would be to convert the hotel to its original purpose and operate it as an Air BNB with common use areas. For this, I would only put the kitchen in as a common use with microwaves, coffee machines, etc. to reduce the fire risk of an unstaffed kitchen. My financial estimate (included) reduces the occupancy for the year to only 50% occupied. The model also includes kayak, bike, and tube rentals that would be advertised to not only the tenants but the entire town and visitors. The debt service on this would be less-desirable terms with a 20-year fixed at 5.95%, but is still feasible. This option would require significantly less licensure, monitoring, and upfront costs.

**Building Plans:** <https://home.by.me/en/project/mzmc5w59v7-3408/fries-hotel>

**Main floor**

**Second Floor:**

**Third Floor**

# Free Clinic of the Twin Counties

Year in Review (2022) & Looking Ahead (2023)

## History

Since the Free Clinic was started in 1992 in a single room of the First Baptist Church of Galax, the Clinic has provided essential primary care services and contracted with local partners to provide diagnostic imaging and labs and referral for specialty medical services to hundreds of needy and uninsured patients in the Twin Counties.

## Our Goals

To have a freestanding, financially viable, community supported clinic staffed by employees and volunteers to provide health and pharmacy services to indigent patients.

## Mission Statement

To improve healthcare access for low-income, uninsured residents of Carroll, Grayson, or City of Galax demonstrating the value of community collaboration in an accountable healthcare project that utilizes the charitable gifts of a network of voluntary providers.

## Income & Residency Guidelines

We are able to see individuals who do not have health insurance and make under 400% of the federal poverty level. They must provide proof of income and that they live in Galax, Grayson, or Carroll County. The cost is \$35 for the first year and \$25 every year after.

Are you UNINSURED and looking for affordable care?			¿No tiene seguro y busca atención asequible?		
<p><b>THE FREE CLINIC OF THE TWIN COUNTIES IS NOW ACCEPTING UNINSURED PATIENTS</b></p> <p><b>IF YOUR INCOME IS UNDER THE AMOUNT BELOW, YOU ARE ELIGIBLE FOR FREE CARE</b></p>			<p><b>SI NO TIENE SEGURO MÉDICO Y SUS INGRESOS ESTÁN POR DEBAJO DEL LÍMITE A CONTINUACIÓN, CALIFICA PARA RECIBIR ATENCIÓN EN LA CLÍNICA GRATUITA</b></p>

## Clinic & Patient Demographics:

Below is a breakdown of the patients the Clinic has seen through November 30, 2022. We have seen 53 new patients this year, nearly a third of our patients we've seen this year are new to the Clinic. Twenty percent of our patients seen this year have been Grayson County residents. Additionally, you can see that in Grayson County, almost half of the patients we have seen YTD have been new patients.

<b>Unduplicated Patients Seen in 2022 (YTD) by Locality</b>				
<i>Locality</i>	<i># of Patients</i>	<i># of New Patients</i>	<i>% of New Patients</i>	<i>% of New Patients that are Spanish Speaking</i>
Carroll	76	15	20%	40%
Grayson	32	14	44%	21%
Galax	62	24	39%	67%
<b>Total</b>	<b>170</b>	<b>53</b>	<b>31%</b>	<b>47%</b>

## Hispanic Community:

In addition to the expanded hours we began offering in May, we also were able to hire a part time Spanish interpreter to provide in-office interpretation to our clients who do not feel comfortable communicating their medical needs in English. This has been incredibly successful, as we have been able to see more Spanish speaking patients. With the addition of the evening hours and an in-office interpreter, we have been able to see 25 new Spanish speaking patients and provide better services for our other 24 patients that we have seen this year. Half of the new patients we have seen in 2022 have been Spanish speaking.

## Hours of Operation:

We are open on Tuesdays, Wednesdays, and Thursday from 9:30am to 4:30pm. Extended hours on the 2nd and 4th Tuesday each month with a Spanish Interpreter present.

In May of this year we began offering expanded evening hours twice a month to better allow for our patients who work to receive care without having to take time off of work.

## Free COVID-19 Antigen Testing:

We currently offer free COVID-19 Antigen testing to the community, regardless of if they are a patient or not. We are also going to begin offering rapid flu and COVID testing in the coming weeks. These test results are available within 15 minutes and help to alleviate the burden that our local EDs and urgent cares are experiencing, while also removing the financial barrier of the cost of testing.

---

## Plans for 2023

In addition to the services mentioned above, we have plans to expand our services offered in the coming year.

### Expanded Hours

We will be expanding our hours of operation in 2023 to offer evening hours every Tuesday, and are looking to start providing services once a month on a weekend day to better serve the needs of the community.

### Laboratory Testing

This year we received a grant from the Twin County Community Foundation to be able to conduct more in-house laboratory testing for our patients. Currently, our patients need to go to the local hospital to have their lab work performed, but that creates a barrier, both with time and finances for some of our patients. With this new analyzer, we will be able to perform routine laboratory tests for our patients, and allow our providers to have the results the same day, sometimes within the same hour, to be able better treat and diagnose our patients.

### Behavioral Health

We will be able to provide behavioral tele-health visits to our patients in partnership with VCU and the Virginia Association of Free & Charitable Clinics (VAFCC). This will be available to any patient. We are set to be enrolled in the next cohort of Free Clinics in the program, so we anticipate early 2023 as the timeline for beginning this service for our patients.

### Dental Clinic

We also have plans to reopen our dental clinic in 2023. We have been fortunate to receive a donation of a very nice dental trailer with two dental chairs from another Free Clinic that closed their program this month. We also have applied for additional funding to purchase equipment and supplies to help open the clinic. The plan for the new clinic will be to offer x-rays, cleanings, extractions, fluoride varnishes, dental sealings, and dentures.

We are in the process of finalizing our process and services, but we plan to reopen the services in the second quarter of 2023. At the time of the fire, we had a waitlist of over 100 people who were seeking dental care through the Free Clinic. The local hospital (Twin County Regional Hospital) reported that from July 2020 through October 1, 2022 over 560 individuals have been seen in the Emergency Department for dental related concerns.

Prior to the fire, the dental services were offered 1 day/month. With the planned reopening of the Dental Clinic in 2023, we are hoping to provide dental services that will be offered 1 day/week. As part of the planned reopening we are working with Wytheville Community College to partner with their Dental Hygienist program too.

---

## **Request from the Board of Supervisors**

We are incredibly grateful for the funding that Grayson County has faithfully provided to the Free Clinic. We understand during the current inflationary environment many households struggle to make ends meet. Healthcare may be something that residents, especially those who run their own farm, or business in the community may have to go without. We would like to be able to provide the quality healthcare they need at an affordable cost. A healthier community is a more prosperous community.

The main sources of our funding include the Twin County Community Foundation, The Virginia Association of Free Clinics (of which we are a charter member), local municipal governments (Galax City, Carroll County, Grayson County), local business leaders, churches and civic organizations, private donors, and fundraising events.

We do not want to raise our cost to our patients, so we are respectfully requesting that you consider generous support for the Clinic in your municipal budget for the upcoming fiscal year. We could not have accomplished what we have thus far without your help, and we need your financial support now as much as ever.

## ANNUAL MEETING AND AUCTION

### Highlights from 2022

#### *Permaculture*

- ✦ Constructed a footbridge from the sidewalk across the swale to the center of the garden
- ✦ Planted 5 new beds with bulbs and perennials at the garden entrance
- ✦ Installed three wooden benches and labeled plants in our pollinator garden
- ✦ Donated pollinator plants to two local public garden installations
- ✦ Hosted two Open Garden events for the public and Co-hosted the July LandCare meeting with the Church of the Good Shepherd attended by over 30 members and guests who toured the garden
- ✦ Planted sweet potatoes, winter squash and field peas in the annual crop garden to be harvested and donated to Food Independence and other institutions
- ✦ 20 volunteers donated over 550 hours. Since beginning 6 years ago, 3,600 hours have been donated

#### *Free Market*

- ✦ Averaged 54 visitors, 10 bringing, 43 taking items daily, monthly donations of~ \$400 for utilities.
- ✦ Served agency clients needing household goods using COVID funds to purchase new bedding, pillows and towels.
- ✦ Refreshed our signboard, making us much more visible to those driving by.
- ✦ Continue to build our inventory of medical equipment and lend it to those in need.
- ✦ Established a partnership with Walmart to receive excessed items-returns, damaged packaging, holiday decorations, etc. diverting a large amount of material, often 2 carloads, from the landfill.
- ✦ Provided Heartmoss Pottery with clean, used packing material, saving money and adding to their brand image. Provided people who are moving with sturdy boxes and packing materials.
- ✦ Provided bud vases to UMC Independence for fresh flowers for residents of the Grayson Nursing & Rehabilitation Center. Shoe boxes are taken to the Wytheville Cat Shelter for cat beds.
- ✦ The Christmas Gift Shop will be held at the GATE Center on December 2, 3-7 pm, for children and parents to choose gifts for family members, friends and teacher. The Culinary Arts students from the CATE Center will bake and serve holiday cookies.

## *Independence Farmers Market*

- ✦ Opened May 6 on Courthouse Street with 31 vendors, 7 new
- ✦ 3 young vendors and the Cate Culinary class sold at the Market. The GCHS ag classes helped with the Cider pressing. Independence Elementary School came for Kids Day and had a display of their projects.
- ✦ Averaged 23 vendors and 150 customers per Market
- ✦ Hosted a full slate of Festivals for the first time since 2019
- ✦ Celebrated it's 15<sup>th</sup> season of operation

## *Food Independence*

- ✦ Provided an average of 276 boxes to 252 households with 559 people per month. During the most recent four months (June-Sept), we distributed, on average, 295 boxes per month. Based on typical pantry demand, we expect to distribute 350-400 boxes/month during the last three months of 2022.
- ✦ Demand increased nearly 50% so far in 2022 compared to 2021, and more in recent months. This, along with higher costs, reduced corporate food donations and increased food costs, will challenge both our financial and volunteer resources in the future.
- ✦ about 10,000-12,000 pounds of food are provided through drive-thru distribution at the pantry and two community-based delivery programs for home-bound and isolated households. Each box plus add-ons contains about 50 pounds of shelf-stable products (beans, rice, pasta, veggies, fruit products, tuna, etc.), bread, fresh produce (often local), meat and other items.
- ✦ Received a Twin County Community Foundation grant to purchase additional local food

## *Independence Elementary School Garden*

- ✦ 270 students visited the outdoor garden and see the Tower garden as they enter and leave school daily.
- ✦ 15 4th and 5th graders had weekly lessons, where they planted seeds, harvested the Tower Garden 5 times, weighed the produce and took food home or tasted it in class
- ✦ 10 2nd graders participated in summer school and harvested 1 time. 15 3rd graders planted seeds in September and will harvest and maintain the tower garden weekly through 2023
- ✦ 5th grade students won 1<sup>st</sup> place in the Grayson County Fair with a pumpkin they grew.
- ✦ IES purchased a hydroponic system to add to the project.

## *Grayson County Seed Library*

- Co-hosted a seed saving workshop and a seed swap with the Wythe Grayson Regional Library in Independence.
- Prepared and distributed over 300 seed packets.

## Food Independence

Grayson County, Virginia

60+ volunteers, 300 boxes, 600+ people served each month

50+ vendors, 10 new vendors, celebrated 15<sup>th</sup> season,

Hosted 2 workshops with Library distributed +300 seed packets

## Partnerships

IES, Grayson County, CountyFair, 4H Church of Good Shepherd, Town of Independence, VA Farmers Market Association, Va Health Department Wythe Grayson Regional Library

2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> graders planted, harvested and ate vegetables from the outdoor garden and indoor Tower garden at Independence Elementary School

20 volunteers donated 550 hours constructed footbridge, installed benches, hosted 2 educational open garden days, and donated sweet potatoes and winter squash to Food Independence and others

Medical equipment library household goods outreach Free Christmas Gift Shop Diverted tons of items from landfill

85 participants, 35 items donated, \$6900 raised

## GRAYSON LANDCARE

Community | Natural Heritage | Economy

Grayson LandCare is a member-driven non-profit, addressing the challenges of life in a rural, agricultural community.

LandCare promotes economic self-reliance, preserves local traditions, and helps landowners to protect and enhance our natural heritage by starting conversations, problem-solving, and appreciating the value of the place we call home.

**Learn More**

**Follow Us**

instagram graysonlandcare  
facebook.com/graysonlandcare

Grayson Landcare has been supporting our community for 15 years! And with your support, we look forward to another 15. But before we start dreaming about that future, let's take a look back and see what we have accomplished since our incorporation in 2007. Grayson LandCare has evolved since then, which is exactly what the organization is set up to do! As a member-driven organization, we strive to help members be successful in sustaining the land and the county's resources for years to come.

Grayson Landcare began when Jerry Moles and Charlotte and Philip Hanes started looking for ways to make preserving the natural resources in Grayson County a benefit to the environment and also to the folks who live here. They identified the main industries- forestry and cattle and looked for ways to support them. The New River Land Trust recommended conservation easements as a way to earn tax credits while keeping land available for farming and forestry. Realizing the financial benefits of niche marketing, grass fed beef was identified as a more sustainable way to produce beef in our area. That led to the development of Grayson Natural Farms, and River Ridge Farm. River Ridge is a showplace for rotational grazing, pasture and herd management. In recent years they have added preservation and production of heritage sheep and organic berry production. River Ridge Organics is one of the few organic certified farms in Grayson County and also is Gap and World gap certified. These operations provide models for sustainable livestock and farming systems.

IFM started in 2008 with help from the Town of Independence special events coordinator Carol Lundgrun and local business owner Taphne Taylor Collins. Other organizations provided support for traditional cattle and forestry operations. At the request of newly arrived produce farmers Rick and Jen Cavey, GLC agreed to help the Independence Farmers Market expand it's reach to support niche farmers, ranchers and artisan entrepreneurs bring their products to market and IFM joined GLC in 2011. In its 15 years IFM has provided over 200 small businesses an outlet for their products. Vendors have ranged in age from 10 to over 70. IFM has provided education, marketing and a community for vendors and customers alike.

Cynthia and Rick Taylor brought Permaculture as a framework for gardening and an overall principal for sustainable living to Grayson LandCare 6 years ago. The Permaculture garden and food forest at Church of the Good Shepherd has provided produce to Food Independence and God's Storehouse in Galax as well as a habitat for pollinators and native plants. It is a model for home and production gardeners alike and a living classroom for habitat improvement and rainwater control.

Kathy Cole developed the idea of the Free Market for years before making it a reality 5 years ago. In that time tons-literally- of items have been diverted from the landfill and redistributed throughout the community. Over time, Kathy has added a medical lending

library and an outreach section for Social services. The annual Christmas shop provides kids an opportunity to shop for family members for free as well as the general public.

During the pandemic Tom and Anita Simpson and Bev Fermor and Ken Kruzer saw families struggle with increasing food insecurity and Food Independence became part of the Grayson LandCare family 2 years ago. That need has only increased and Food Independence and countless volunteers have continued to expand to meet the needs of our community. Their monthly food distribution occurs the 4th Tuesday of the month and has grown from serving 90 families to over 300.

The Seed library is a joint project with the Grayson County library that also came about during the pandemic as seed became scarce and prices rose. Workshops on seed saving and seed distributions have been held. The public is welcome to donate their favorite open pollinated seeds or take what need. If you have success with seeds you “checked out” return some of your saved seeds to keep the project going.

The School garden project is also 2 years old and is giving kids at Independence Elementary school the opportunity to learn to grow their own food and to taste it and share it with their families. It started with a raised bed garden outside and has grown to include an aeroponic Tower Garden and a traditional hydroponic garden. All gardens are in highly visible locations and the reach extends beyond the 3rd, 4th and 5th graders who have participated in the after-school gardening program.

In addition to our monthly meetings and presentations and mini grant program, Grayson LandCare supports all these projects with office staff, fundraising, grant writing, advertising and more. Many people do not realize all these projects are a part of Grayson LandCare.

## **Board Appointments**

- (Please see Rules of Procedure 5.10 listed below)

### **Board of Zoning Appeals – 5yr term**

- Gary Ballard – term expires 12/31/22 – will continue to serve

### **GC Senior Advocacy Committee – 2yr term**

- Amelia Bland Waller – interested in serving on this committee (application attached)

### **CSA-CPMT – 4yr term (Alternate)**

- Tracy Anderson – term expires 12/31/22

### **District III Governmental Cooperative – 1yr term**

- Elizabeth Jones – term expires 12/31/22 – will continue to serve
- Tracy Anderson (Alternate) – term expires 12/31/22

### **Mt. Rogers Mental Health – Community Services Board – 3yr term**

- Teena Bishop – term expires 12/31/22 – will continue to serve
- Kathy Cole – term expires 12/31/22

### **New River Highlands RC&D (Recreation, Conservation & Development – 1yr term**

- Tracy Cornett – term expires 12/31/22 and no longer wishes to serve on this board. Lyndsie Young will serve if it's the pleasure of the Board

### **Planning Commission – 4yr term**

- Don Dudley – term expires 12/31/22

### **Rec Park Advisory Committee – 3yr term**

- Elizabeth (Beth) Carico (Providence District) – no longer able to serve

Note: Pursuant to the BOS Rules of Procedure, Sec. 5.10, all potential nominations for appointment or recommendation are listed in the order applicable to said Rules and/or in the order in which they were tendered.

### **BOS Rules of Procedure**

5.10 Appointments to Boards, Authorities, Commissions and Committees.

All appointments to any board, authority, commission or committee shall require a majority vote of the members present constituting a quorum. Any member of the Board may make nomination(s) for the Board's consideration of appointment for any qualified and eligible individual(s) to serve. In instances where an appointment is required to be made from within a defined voting district, it shall be the responsibility of the Board member representing that district to identify candidates for nomination to be affirmed through appointment by majority of the Board. If a district specific nomination is not provided by a Board member representing that district or if the nomination(s) fails to achieve affirmation by majority vote, then it shall then be the responsibility of the At-Large Member of the Board to offer up a nomination(s) for the Board's consideration. Whenever possible, it shall be the responsibility of a Board member to provide the name(s) of individual(s) they wish for the Board to consider for appointment with as much advance notice of the action as possible, along with any support information that would be of benefit in assisting the Board to consider a candidate(s) for appointment. Appointment recommendations made in advance by Board members shall chronologically be

included in the Board's Packets in the order that they are tendered. The Chairman shall take up the appointment recommendations as presented by way of a motion and majority vote to include the recommendations as nominations, as well as take up any additional nominations that may be offered up from the floor.

RECEIVED

NOV 17 2022

BY GRAYSON COUNTY ADMIN

October 24, 2022

Mr. William Shepley, County Administrator  
Grayson County Board of Supervisors  
P. O. Box 217  
Independence, VA 24348

Dear Mr. Shepley:

As you are aware, section 37.2-508 of the *Code of Virginia* requires Community Services Boards to submit to the local governments in our service areas our performance contracts with the Department of Behavioral Health and Developmental Services (DBHDS) for review and approval.

We are enclosing both a hard copy summary and a complete copy on a flash drive of our Board's *FY 2023 Community Services Performance Contract* for review and consideration by your Board. If you would like us to provide you a hard copy of the complete performance contract, please let us know.

If you have any questions concerning our performance contract, which we finalized with the DBHDS in September, please give me a call. I will appreciate the opportunity to meet with either you or your Board of Supervisors, if necessary or desired, prior to any action on this item.

Sincerely,

A handwritten signature in black ink that reads "Sandy Bryant".

Sandy Bryant  
Chief Executive Officer

## Surplus – Rec Park

1995 Gator – engine blew up and SUV is no longer usable

**Grayson County Agriculture Advisory Committee**  
**Minutes**  
**October 18, 2022**

Present: Elizabeth Hash, Mitch Smith, Dwayne Huff, Donnie Garman, John Fant, Gary Mitchell, Brenda Sutherland, Kevin Kirk, Lyndsie Young, Kevin Spurlin

Kevin welcomed everyone and convened the meeting.

Approval of September Minutes: John Fant made motion to approve, Elizabeth Hash 2nd. Minutes approved.

**Old Business:**

Comprehensive Plan & Ag Initiatives – Kevin reviewed the past discussion on merging the Ag Initiatives & Ch 6 Strategies of Comp Plan. Committee members were given the Ag Initiatives document to review what is missing?

Land use was suggested to be included (conversion and use-value taxation considerations)

Kevin then suggested going down the list in order to discuss:

- Grayson Grown – Lyndsie asked about marketing materials or if anything was available for producers? Asked about creating stickers, bags, items to help market local Grayson Producers (example Cecil Grown, Cecil Co MD). Discussion was held but didn't feel this was a high priority, get with Grayson LandCare on their thoughts for this (low priority)
- Beginning Farmer program – Lyndsie mentioned that Dylan Isom offered just that morning to help get a Grayson group started with help from the Carroll group. This group would be interested in helping volunteer for the Ag Fair as well. (medium priority)
- Integrating Ag in Education/Community – John Fant mentioned that Ag classes needed a lot of help and support from the community. Felt this should be higher priority. Dwayne Huff discussed internship options with manufacturing businesses, but there are none currently in Ag or on farms. Himself along with Zack Hill (Guidance Counselor at HS) coordinate internship program. They would love to have farms sign up to host interns. Possibly could get funding to help with intern pay for the first couple years. (high priority)
- Forestry Component – Kevin asked if there should be more specific objectives in regards to forestry. Adding Diversified Ag was suggested. Example was increasing number of orchards and producers wanting to diversify into cider or other products. Sustainable Forestry was also recommended to add (ex: oak tree and white pine populations). Riparian Buffer management and water quality was also recommended. The committee determine each of these as high priority.
- Fairgrounds in CIP – need to change this to multi-use facility and make a high priority since there is forward progress currently on this project. BOS will need to help determine how to fund, but needs to be included more specifically in Comp Plan and CIP. Lyndsie asked Leesa to include several months ago. Mitch to follow up and ensure it is within the document.
- Meat processing facility – this issue was discussed concerning wait times and lack of local facilities. Gary Mitchell mentioned that the facility could be profitable, but River Ridge just didn't want to invest in it. The Blue Ridge Plateau Initiative is currently working (has been a couple years) with no forward progress. It appears that funders aren't supportive of the proposed Cooperative model. A facility like this essentially requires a private investor willing to take on the project. There is State funding currently, but more geared to smaller facilities already in operation that need to or want to expand and get certified (low priority).
- Ag Public Relations – this was discussed due to the community issue of pesticide spraying within the Christmas tree industry. Depending on how far this issue is taken with legislators and other

state leaders, it could, and more than likely will, affect other producers (crops, cattle, etc). Education of the public on products used and how they are used needs to be stressed. Producers in all areas need to step up and take action to educate the public. Lyndsie mentioned that the Commissioner of Ag, Joe Guthrie inquired on an update for Grayson on this exact issue last week. (high priority)

- Farm Expo – no one knew the exact reason for this item, felt it was a duplicate of the Ag Fair or Farm Tours. This will be removed.
- Exploring Tax incentives – discussion was held that farms and local producers need to be treated like bigger businesses as far as tax package offerings go. No consideration to support local farms is being made (ex: creamery, orchards, new farms, etc.). This must be addressed in order to help preserve farms. (high priority)
- Land Conversion was mentioned to include. Although we happen to be experiencing use-value taxation currently for farm land due to the recent reassessment of property, land conversion decisions need to be considered well before the problem gets larger. We need to be more proactive at addressing this currently. (high priority)
- Land use-value taxation – committee decided to put medium priority due to current reassessment status. However, this will need to be discussed prior to next reassessments are completed.
- Marketing strategies – in reference to 6-3, 6-4 in Comp Plan. Producers must be able to sell their products and have options to sell at a premium. Grayson Grown/Finest can be included within this. (high priority)

**It was then discussed to come back at the November meeting and define objectives/goals over next 5 years for the high priority items.** We will need to send Jada a document that lists the high priority initiatives and how they fit into current strategies in order to determine how to re-word/write Comp Plan strategies to best fit our goals.

See attached excel spreadsheet that lists all initiatives discussed, including ones that were added and the determined priority ranking.

### **New Business:**

County Updates –

- Food Independence and Grayson LandCare received a grant through Twin County Comm Foundation to work with local producers on purchasing food for their distribution program. They are hiring a part time Food Access Coordinator through this grant to work with producers and connecting them with Food Independence to sell products. The goal is to give Food Independence easier access to local foods, while giving producers an outlet for produce or products that may be left over that can't currently be sold.
- Ag Banquet – an initial call for applications was sent to the paper a month or so ago. Lyndsie asked members to please help encourage the community to apply for the awards. The program will be more successful if the committee works together to encourage the community to participate. Applications are due Dec. 16<sup>th</sup> and the committee will review them during the Dec 20 meeting.
- Elk Creek Community Forum concerning the proposed multi-use facility will be held November 1<sup>st</sup> at 7Pm at the Elk Creek FD. All are invited. The forums will be held in each zip code locality in the county to help reach out to all communities and encourage them to complete a survey concerning the project. The survey will be electronic, with paper copies being available.
- Sharlene Prosser has left her position, Ag Economic Dev for SWVA area through Coop Ext. They are looking to hopefully fill this position back.
- 4-H Agent, Demi Sexton, is moving forward with 4-H programming and doing a great job.

- State recommendation to close 2 of 4 VDACS facilities (Wakefield and Lynchburg) and move the Wytheville facility to Blacksburg. This will cause a delay in necropsy results as well as service to our area. The county can help by submitting statements against this change, along with citizens. Kevin mentioned reasoning for this is they can't find help. Brenda said there is a listening session November 17<sup>th</sup> from 7-9PM at the Wytheville Community meeting center. Please attend if at all possible.

Next Ag Breakfast will be November 15<sup>th</sup> with Ag Committee meeting after.

With no further business Kevin Kirk made a motion to adjourn., BT 2<sup>nd</sup>. Meeting adjourned.

# BLUERIDGECROSSROADS

economic development authority  
Carroll – Galax – Grayson VIRGINIA

Carroll-Grayson-Galax Regional Industrial Facilities Authority  
October 24, 2022 Minutes

## Roll Call

- Mike Watson- Carroll County present
- Rex Hill- Carroll County present
- Barry Moore- City of Galax present
- Mike Larrowe- City of Galax absent
- Mitch Smith- Grayson County present
- Kenneth Belton- Grayson County present – arrived at 3:35pm
- Jody Early- Carroll alternate present
- Sharon Ritchie- Galax alternate present
- Mike Hash- Grayson alternate present
- Others present-
  - Nichole Hair- BRCEDA Director
  - Mandy Archer- SBDC Director

## Call to Order

Mr. Watson called the meeting to order at 3:05 pm.

## Consent Agenda and Treasures Report

Ms. Ritchie made the motion to approve the consent agenda and minutes as presented. Mr. Hill seconded the motion, which carried unanimously.

Mr. Moore made a motion to approve the treasurers report as presented. Mr. Hill seconded the motion, which carried unanimously.

## SBDC Report

Ms. Archer stated that the core grant for 2022 is moving along. The CARES grant is still waiting on a few invoices to close out the grant period which ended 9/30/2022. We did not spend all the CARES funding amount due to various reasons. It is a reimbursable grant so we will not owe anyone money back to SBA. The GOVA grant is continuing along and must be spent by 12/31/2022. Ms. Archer highlighted the client interaction summary and indicated we are well above goals in clients served. Most of the additional staff capacity was available through GOVA and CARES funding. Since that funding is ending the Southwest Virginia Centers are working with Virginia SBDC to try and come up with creative ways to continue at the capacity of service

***The Blue Ridge Crossroads Region is Virginia's "Entrepreneurial Region."***

# **BLUERIDGE**CROSSROADS

economic development authority  
Carroll – Galax – Grayson VIRGINIA

provided. Ms. Archer reviewed progress on other projects including Grayson Business Support Initiative and Childcare Training.

## BRCEDA Report

Ms. Hair reported that AEP is moving forward with the transmission line. The three localities have agreed to participate in the joint strategic plan. Ms. Hair is reviewing the agreement so it can be signed, and we begin to move forward on the project. A virtual visit was held with VEDP regarding Site 1 at Wildwood Commerce Park. A grant application for \$14M has been submitted. If we move to the next level an in-person site visit will be scheduled with VEDP in late November or early December. Ms. Hair submitted a grant to Virginia Tobacco Commission last week that will require a 1:1 match. If approved, she will return to BRCEDA board in January to discuss funding of that project. Project Produce continues to move forward. Ms. Hair met with the owners today. She feels their intention will be to execute the 2<sup>nd</sup> extensions in December. Due to some changes at the current engineering firm, Ms. Hair is looking to put out an RFP for engineering services on Site 1.

## Announcements

Ms. Hair shared that a meeting was held on October 6<sup>th</sup> with VEDP and other partners to discuss and Inland Port. Ms. Hair shared that VEDP is working on a study for barriers to supply chain in Virginia. They are revising activities in Virginia. A report is due December 1<sup>st</sup> on those findings.

Ms. Archer shared that DPOR has taken steps to make obtaining a contractor license for Spanish speaking individuals easier. They are now offering testing and applications in Spanish. Ms. Archer also shared that Central VA SBDC is hosting a webinar on *Grants, Loans, and Conservation Opportunities for Virginia Farmers*. This webinar is for economic developers and other individuals. She will share the sign-up link with the board.

## Closed Session

At 3:35 p.m., Ms. Ritchie moved that the Blue Ridge Crossroads Economic Development Authority Board go into closed session for the discussion of consultation with legal counsel employed or retained by a public body regarding specific legal matters requiring the provision of legal advice by such counsel. Mr. Mitch Smith seconded the motion.

## End Closed Session and Reconvene Regular meeting

Motion was made by Mr. Smith and seconded by Mr. Hill that the BRCEDA Board end the Closed Session and return to its regular meeting. The BRCEDA Board ended the Closed Session and returned to its regular committee meeting at 3:55 p.m.

## Adoption of Resolution of Certification of Closed Session

***The Blue Ridge Crossroads Region is Virginia's "Entrepreneurial Region."***

# **BLUERIDGE**CROSSROADS

economic development authority

Carroll – Galax – Grayson VIRGINIA

WHEREAS, the Blue Ridge Crossroads Economic Development Authority Board has convened a closed meeting on this date pursuant to an affirmative BRCEDA Agenda recorded vote and in accordance with the provisions of the Virginia Freedom of Information Act; and

WHEREAS, Section 2.2-3712 of the Code of Virginia requires a certification by the Blue Ridge Crossroads Economic Development Authority Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED, that the Blue Ridge Crossroads Economic Development Authority Board hereby certifies that, to the best of each member's knowledge: (1) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting which this certification resolution applies; and (2) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered by the Blue Ridge Crossroads Economic Development Authority Board. The motion was adopted by a Roll Call vote as follows:

#### Member & Vote

Michael Watson – aye  
Rex Hill – aye  
Barry Moore – aye  
Mike Larrowe – absent

GRAYSON COUNTY COMMUNITY POLICY & MANAGEMENT TEAM  
MINUTES

OCTOBER 2022  
GRAYSON COUNTY BOARD ROOM  
10:00 A.M.

Present: Mike Hash, CPMT Chair, Grayson County Board of Supervisors  
Kristin Shumate, Grayson County Department of Social Services  
Teena Bishop, Grayson County CSA Coordinator  
Jessie Whitaker, CPMT Vice Chair, Mount Rogers Community Services Board  
Alice Pearce, FAPT Facilitator  
Doug Lawson, Grayson County Schools  
Stuart Cheeks, Juvenile Probation  
Madison Hash, Grayson County Health Department  
Karen Osborne, Parent Representative

Absent: Mitch Smith, Interim County Administrator

The October 2022 CPMT Meeting was called to order.

Motion to approve Agenda: Kristin Shumate made a motion to approve the May 2022 Agenda and was seconded by Jessie Whittaker.

Motion to Convene in Executive Session:

Pursuant to §2.2-3711 (A) (4) and (15) and in accordance with the provisions of §2.2-5210 of the Code of Virginia for proceedings to consider the appropriate provisions and services for a particular child or family or both have been referred to the family assessment and planning team and whose case is being reviewed by the community policy and management team. Kristin Shumate made a motion to move into executive session with Stuart Cheeks seconding the motion. Motion carried unanimously.

Motion to Certify Compliance by Certification:

Move that members of the Grayson County Community Policy and Management Team certify to the best of each member's knowledge, (1) only public business matters lawfully exempted from open meeting requirements, and (2) only such public business matters were identified in the motion by which the closed meeting was convened were heard, discussed or considered in the closed meeting.

Services were approved by Kristin Shumate seconded by Doug Lawson as attached in the May Team packet.

Old Business:

No old business was discussed.

New Business:

Oasis Case #2727141 (RL) was staffed on an emergency basis by the Grayson County Department of Social Services for ICC funding through Mount Rogers Community Services Board. This child is currently in detention due to issues surrounding sexual abuse of a sibling and is due for release in the coming weeks. ICC funding was requested due to the court possibly placing the child in a treatment facility and for intensive services in the home. Case was approved unanimously by all team members.

The Team was polled in regard to members being interested in the CSA Conference and at present, no members have expressed interest in attendance. FAPT members were polled during Team meetings and no team members have expressed interest in attending this year.

Ms. Jessie Whittaker, as the Mount Rogers CPMT representative, abstained from voting on any case funding for this agency.

The Team was adjourned by Stuart Cheeks and Kristin Shumate.

All ayes, all certify.

The next meeting will be held on November 17, 2022.

## Grayson County Emergency Services Commission Meeting

September 22<sup>nd</sup>, 2022

Held at Elk Creek Rescue

### Call to Order:

Chairman Allen Faulkner welcomed everyone and called the meeting to order at 7:05 p.m. Seven members representing 8 departments were in attendance and a quorum was not present.

### **Members Present:**

Mt. Rogers Fire:	Ralph Norris
Elk Creek Rescue:	Jamie Carpenter
Independence Fire:	Matthew Adams
Fries Rescue:	Allen Faulkner
Troutdale Rescue:	Judy Arnold
Fries Fire:	Randy Lineberry

### **Alternates Present:**

Independence Rescue:	Rebecca Haga
----------------------	--------------

### **Other Attendees and Guests:**

Emergency Services Coordinator:	Paul Hoyle
Department of Forestry:	Donald Garman
Secretary:	Renee Nester
Grayson Board of Supervisors:	Tracy "Zeke" Anderson

### Approval of Minutes:

Chairman Faulkner asked if anyone had additions or corrections to the July 28<sup>th</sup>, 2022 meeting minutes. Hearing none, Ralph made the motion to approve the minutes. Jamie seconded. All were in favor.

### Emergency Services Coordinator Update:

Paul would like to reiterate that we are still looking for award nominations. We have one coming up on the communications side on the work on a call involving several agencies including Fries. We have one nomination of an educator for the coming year. If any of the agencies have someone to nominate, just

contact Paul by email and we will start the process of getting the forms filled out. There are also two other awards programs that we will submit to. They are the EMS awards through the county and Regional EMS awards that are managed by the Southwest Virginia EMS council. Let's try and get the EMS awards at the county level by each agency submitting the nominees. The categories will be up on the website shortly and you will be able to access them if you go to the documents. There will be 13 categories for EMS and 9 categories for Fire. The most important level for us will be the local level awards, we need to start recognizing our first responders. We will then nominate them at a regional level for EMS and Fire for the state fire award.

We are going to be having a County Awards ceremony for our county responders. This will be a day event and will be a family-oriented event for the families with food and games for the kids. The awards timeframe is usually around March and June timeframe, so we will try and plan the event around late summer August/September timeframe.

#### Communications Update

Things seem to be a little better on the West in with the mobile radios that are in place now. Shane has also been doing some work out there. We are still going on to the new tower on Whitetop, but it continues to go slow. Engineers are still working. Paul had a conversation with Smyth County and they have hired a new communications director. They said that the agreement still stands that we will be moving our equipment into that enclosure once we move onto the new tower.

The large project we have another meeting tomorrow. We have been approved and are moving forward with a contact rider with one of the northern Virginia jurisdictions. We are started to spec out the system and figuring out the metrics for that. We know where we want to be with it. We just have to work with their engineers and see what will be practical. As this evolves Paul will keep everyone update. As we push forward, we will be addressing the Boards and City Council to address the funding. Once we obtain the funding, we can start seeing work done in the Spring timeframe.

#### OMD/ Agency Licensure Update

The agreement for the County OMD- Doctor Jason Edsel is at the review with the County Attorney. As soon as he is finished with that, we will move forward. He will be the OMD for Grayson County Emergency Services. He has agreed to take on any of our county agencies that chooses to come on board. He would like to meet and speak to everyone and possibly attend the November meeting. He also has an assistant OMD that will be coming with him and will be heavily involved in the training side.

#### Water for Fire Training

For the fire agencies, if you do any fire training with water usage, just give Paul a heads up that the water will be used so they can turn on an extra pump. It's no problem at all for the usage, it's just to make sure that it is known when thousands of gallons will be used.

#### Recruiting and Retention Website

The website is up and running. Every agency is listed on the home page. There will also be links to click for each individual agency if you have a website. There is a form that can be filled out asking what is your interest (fire,ems,etc.). This will go to Paul and he will refer them to the appropriate agency. If there is more than one agency, they will be sent to both. There will be descriptions of each agency on

the site and what each agency does and is about. If you have any recommendations for information that needs to be included, please contact Paul and he will get it on there. We will be able to do updates on it as needed.

We are doing business cards and several posters have been made up.

This will be going live next week. We would like to have a picture of each agency out in front of their building with their trucks and members.

#### Ambulance Acquisition

This year an ambulance will be purchased and a fire apparatus will be next year.

Getting an ambulance on a lease is not looking promising. We have ruled out two. Most large leasing companies want to deal with rentals on a larger scale and not one here and there.

We will be doing a purchase. We need to get together and submit an RSAF for the March cycle. We have from now until the third week of February to make this submittal. Randy has been heading up the vehicles right now, but we will need people to work with him to help with this project. We need the Commission to decide who will get the first ambulance. Then we will bring the primary person for the agency to come in and help with the specs and purchase. The budget for the ambulance this year is \$225,000.00. Randy stated that we need a needs assessment and an application from submitting agencies to see who will be awarded the first ambulance. Paul will put out the information and links that will need to be submitted to each agency. Submit why your agency needs an ambulance this year. Allen suggested that we have a group from the commission to review all of the applications. Randy stated that each EMS agency should provide one member to be on the review board. We will have a working group at next meeting to review the applications. Applications must be submitted by then. The RSAF grant will be submitted as a regional application and it will be graded higher which means we have a greater chance of being rewarded an ambulance.

#### Demo Burn Policy Proposal

Demolition burns has been basically a normal process in the area due to the rural county that we are. Demo burns fall into a community service category rather than fire or emergency services. Due to this, if something happens to one of your members, they are not covered under workers comp. Paul said that we don't like this kind of liability. He has been checking into how we can continue to provide this service and still be covered. This can be done by turning this event into a training evolution. This is a formal 1403 training evolution with a training plan and a compliance officer. Paul is a compliance officer and we can work up a training for this when needed. If we are agreed upon this, we can write this up as an ordinance and take it before the board. This is structures and will not include brush or agricultural. Agricultural can be supported by the Department of Forestry, and if so, we are covered for that. Donald stated that Department of Forestry tries to stay away from large brush piles due to the smoke. Each situation will have to dictate. Randy stated that the policy would take the responsibility off of the departments of saying no. Paul agreed. He stated that the individuals would have to submit this to the building official's office and it would be obtaining a permit through them. Further discussion and to vote on implementing a policy will have to be tabled until the next meeting due to no quorum.

## ATL/4FL/CR

Compensable Reimbursement – There have been a couple of agencies that have needed their monies faster than doing it this way. The commission decided that it would be 15/85 split. At the beginning of the quarter, each department would get their 15% of the compensable reimbursement and then 85% would be at the end of the quarter. Paul made the mistake and thought it was 10% and it is being corrected. Paul does not have a lot of demand for central purchasing, so there is no need to hold that much of a percentage until the end of the quarter. If it pleases everyone, this will be changed to 50/50. 50 percent will be given at the beginning of the quarter and the other 50 percent excluding purchases will be given at the end of the quarter.

The last agency is finishing up 4FL up for FY22. One more fire agency is finishing up ATL. If you have something that meets the requirements of ATL, we won't pay that out of compensable reimbursement until it is not covered by ATL.

The biggest bill we have had to date through central purchasing is the oxygen. Paul seems to think this could be a huge savings for many agencies ordering through the county.

Doctor Edsel stated that when he is in as OMB for the county, we can buy medical supplies. Paul can start purchasing all EMS consumables when this happens and can deliver supplies once per week. The county will get better pricing due to bulk ordering. We will work into it and see how it works out, then each agency can decide if this will benefit them. Pencare, Henryshine, and Boundtree are the three suppliers that the county is currently using.

September is mental health awareness month. Megan's EMT class put together a poster for the commission. Jamie noted the code green website has a lot of material that we can get if we would like. The phone number to call is 988.

## **Upcoming Fundraisers and Events**

Paul will be at the Grayson Highlands Festival this Saturday and Sunday. If any agency would like to help at the booth from 9-3 either day, just come by. We will also be at Legacy Creek Fall Festival event that runs each weekend in October. The 14<sup>th</sup>, 15<sup>th</sup>, 16<sup>th</sup>, 22<sup>nd</sup>, 23<sup>rd</sup>, 29<sup>th</sup>, and 30<sup>th</sup>. If anyone has any materials or goodies for the booth let Paul know.

Randy stated that he had been approached by a few citizens recommending that AED's be purchased and placed throughout the county in businesses. Paul recommended maybe exploring the Twin Co. Community Foundation for possible funding assistance. This may be a good project to start exploring. A really good community project. Paul is purchasing smoke detectors for us to install. If anyone knows of any hearing-impaired individuals, reach out to see if they would like a smoke detector installed specific for hearing impaired.

October 1<sup>st</sup> is Fries Fire and Rescue Bingo 5pm

October 9<sup>th</sup> starts fire prevention week. Starts with the Wytheville parade.

October 9<sup>th</sup> is Mount Rogers Molassas Festival

October 15<sup>th</sup> Rook Tournament Elk Creek Rescue

November 5<sup>th</sup> IVRS Bingo 5pm VFW building Independence

November 18<sup>th</sup> is the Primitive Quartet for Independence Fire at Grayson Co. School Auditorium

Independence Fire is selling raffle tickets on a gun if interested

Donald wanted to note that we are coming up on fire season and that if any department needs assistance they are always available.

By affirmation, the request of Ralph Norris of Mt. Rogers Rescue, alternate member will be changed from Deanna Hayes to Ronnie Richardson.

**Motion to adjourn:** Ralph motioned. Rebecca seconded.

**Next Meetings:**

**November 17<sup>th</sup> Independence Fire**

**January 26<sup>th</sup> Board Room (Grayson Sheriff)**
