IN RE: OLD BUSINESS

Resolution – VRS – Enhanced Hazardous Duty Benefits:

Mrs. Gayheart addressed the board noting that this resolution is for EMT’s and there is no extra expense to the county – we already have hazardous benefits for our other positions (police officers/county deputies). Supervisor Ivey noted that it would be good to look for incentives for the volunteers as they are not covered by this resolution but they are doing the same thing on a voluntary basis – Mrs. Gayheart noted that Mr. Paul Hoyle contacted her and that’s being worked on. Mrs. Gayheart read the resolution

(listed below). Supervisor Anderson made the motion to approve as presented; duly seconded by Supervisor Ivey. Roll call vote as follows: Tracy A. Anderson – aye; R. Brantley Ivey – aye; Kenneth R. Belton – aye; Michael S. Hash – aye. Motion carried 4-0.

## RESOLUTION

### ENHANCED HAZARDOUS DUTY BENEFITS

**WHEREAS**, subject to the approval of the Virginia Retirement System (“VRS”) Board of Trustees, *Code of Virginia* § 51.1-138 permits a political subdivision of the Commonwealth of Virginia currently participating in VRS to make an irrevocable election to provide enhanced hazardous duty retirement benefits for its eligible employees as outlined in § 51.1-138; and

**NOW, THEREFORE, BE IT RESOLVED**, that the Grayson County Board of Supervisors (the “Employer”) does hereby elect to have such employees of Employer who are employed in positions as full time Emergency Medical Technicians, and whose tenure is not restricted as to temporary or provisional appointment, become eligible, effective the first day of March, 2023 for VRS benefits equivalent to those provided for state police officers of the Department of State Police, as set out in § 51.1-138 including the retirement multiplier of 1.70%, in lieu of the benefits that would otherwise be provided to such employees, and Employer agrees to pay the employer cost for providing such benefits; and

**NOW, THEREFORE**, the officers of Employer are hereby authorized and directed in the name of Employer to carry out the provisions of this resolution and to pay to the Treasurer of Virginia from time to time such sums as are due to be paid by Employer for this purpose.

Michael S. Hash, Chairman  
Grayson County Board of Supervisors

#### IN RE: NEW BUSINESS

- **OPIOID SETTLEMENT APPROVAL(S)** – Mr. Steve Durbin addressed the Board noting that litigation counsel has recommended the approval of the proposed resolution (listed below) – Grayson County joined the group to hold those parties responsible for contributing to the opioid epidemic. Currently the litigation counsel has brought a settlement from several companies nationwide totaling \$20B and will be distributed in accordance with the MOU with a portion going to the localities, the commonwealth and VOAA. Before the Board now are additional settlements that have been reached as far back as November 2022 - a \$3.1B nationwide settlement was finalized with Walmart; additionally two (2) separate settlements were reached with Teva (\$4.25B) and Allergan (\$2.37B); and recently settlements were reached with CVS (\$5B) and Walgreens (\$5.7B) – combined that’s \$18.7B nationwide in settlement funds which will go to state and local

governments as compensation and abatement in the harms that have hurt the nation from a result of the opioid crisis. Mr. Durbin noted that Attorney General Jason Mayas has given his support for the settlements. Mr. Durbin noted he has reviewed the proposed resolution and recommendations from litigation counsel. Settlements, if approved, would be distributed in accordance with the MOU that Grayson County has already approved – it's just additional money distributed in the same fashion that the money is already being distributed to the commonwealth, to the localities including Grayson County. Mr. Durbin noted that because the defendants want to maintain peace for their agreement to pay these funds, they are willing to put more money into the settlements if there is a higher level of participation among the localities which is one reason litigation counsel is recommending approval of the resolution now or at least at the March meeting—the higher level of participation Virginia has, the larger the settlement funds will be that Virginia receives – assuming there's sufficient participation, the money will begin to be distributed per the MOU already approved – the settlement would include some conjunctive relief for the defendants to change some of their practices they had which lead to the opioid crisis – additionally manufacturer Teva will be donating millions of dollars in Narcan kits which is a means to mitigate the opioid epidemic. VOAA (Virginia Opioid Abatement Authority) recently held training for localities to understand the best practices in expending the funds and Mr. Durbin recommends following the guidelines in the Gold Standard guidelines in order to be eligible for additional distributions through OAA. Mr. Durbin recommends the board approve the resolution presented - once approved, resolution will need to be sent on to the Opioid Counsel. Mrs. Gayheart then read the resolution. Supervisor Anderson made the motion to adopt as presented; duly seconded by Supervisor Belton. Roll call vote as follows: Tracy A. Anderson – aye; R. Brantley Ivey – aye; Kenneth R. Belton – aye; Michael S. Hash – aye. Motion carried 4-0.

**Grayson County Board of Supervisors**

- ROAD ABANDONMENT REQUEST – CAMP DICKENSON LANE – Mrs. Jada Black addressed the board and read the request from Mr. Anthony Gomez (listed below). Mrs. Black noted that a resolution to the Transportation Board would be necessary to begin the process – currently there is no opposition to this request. Mr. Gomez is aware that in order to do this, signs will be placed on the 239’ of the roadway and the abandonment request will be advertised in the paper – if there is opposition then a public hearing would have to be held; if no opposition then a public hearing would not be needed – a letter would be sent to the Transportation Board and would proceed through them which would take several months. After more discussion, Supervisor Belton made the motion to move forward; duly seconded by Supervisor Ivey. Motion carried 4-0.

January 30, 2023

William Shepley, County Administrator  
Grayson County Courthouse  
129 Davis St. PO Box 217  
Independence, VA 24348

Mr. Shepley,

On behalf of the Camp Dickenson Board of Directors and the New River District (formerly Wytheville District) Office of the Holston Conference of the United Methodist Church, I am writing you today in regards to Camp Dickenson Ln. (State Route 640).

We are formally requesting the easternmost 239 feet of roadway be “abandoned” for State Maintenance by the Virginia Department of Transportation. At the point where we are requesting abandonment, we are the only property owner on either side of the road for approximately 4,500 feet. This request is prompted by our desire to move our entrance gate to help manage site access.

As an organization that regularly serves children and families, we are concerned about the current state of accessibility to our property by the general public. Presently, individuals are able to access our facilities via State Route 640 by driving around our main driveway, where our current gate is located. We regularly encounter individuals who come to our property to access the river, or pursue other outdoor recreation, who claim to be unaware they are utilizing private property, despite posted signage. This creates significant liability to our guests, staff, physical property, and other assets.

We have sought and received confirmation from the regional VDOT supervisor that our proposed gate structure will allow VDOT vehicles sufficient space to turn around when maintaining the rest of the roadway. We have begun the process of deeding access to VDOT for the required portion of our driveway for this purpose. Thank you for your consideration in this matter.

  
Anthony Gomez  
Camp Director
