RE: Seasonal Rental Rate – Trash Fee
Date: January 18, 2024

It is our intent to inform you that the 1/3rd reduction rate for Trans-occupancy Tax (TOT) remittals by seasonal residential units is no longer in effect. Third party rental agencies are now remitting TOT taxes on behalf of the owners but these agencies do not include data for whom the taxes are remitted for. Therefore, our treasurer has no way of knowing what owner to credit for the reduction.

All vacation home rentals are still entitled to a free listing on Grayson County Tourism's website for promotional purposes.

Please do not hesitate to contact the Tourism Department with any questions you may have regarding this matter at 276-773-8002.

Thank you.
