

Debris Removal

Debris removal crews will be picking up eligible Hurricane Helene related debris in **Grayson County**. Separate and place debris at an accessible location at the edge of your property by **November 18**.

Separate and place your Hurricane Helene debris at the edge of your property.

- Debris must be accessible from publicly owned roads – crews cannot go on private property.
- Do not put your Hurricane Helene related debris in the roadway, as this poses a hazard to drivers.
- Do not put your Hurricane Helene related debris in drainage ditches, as this may increase the risk of flooding.
- Do not bag your debris.

ELIGIBLE DEBRIS INCLUDES:

- ✓ Vegetative debris (e.g. branches, limbs, logs, trees and bushes, other leafy materials)
- ✓ Damage/demolition materials (drywall, wood, insulation, siding, fixtures and furnishings, roofing materials)
- ✓ Tires (must be separated from other debris)

INELIGIBLE DEBRIS INCLUDES:

- ✗ Household trash
- ✗ Household hazardous waste (e.g. paint, cleaners, propane cylinders, pesticides, batteries)
- ✗ Electronics (e.g. computers, TVs)
- ✗ Large appliances (e.g. washers, dryers, refrigerators, ovens, stoves, air conditioners, freezers)
- ✗ Large structures (e.g. mobile homes, sheds)
